Lodge Points To Red Threat In Area Rally

'VP' Aspirant Tells Of Service At UN In Beaver Appearance

The threat of Communism and the need for continued leadership were brought out by Henry Cabot Lodge, Republican vice presidential candidate, during a brief campaign speech Wednesday afternoon in Beaver.

Lodge, whose party was running about 20 minutes late after stops in Butler and New Castle, spoke about 10 or 15 minutes to a packed crowd of 3,000 in Gypsy Glen Park.

As the United States' delegate to the U. N., he said that for almost eight years he has carried out the foreign policy as given to him by President Eisenhower without discrimination to party, race or creed.

He said that during that time, he has sat across from the representatives of the USSR perhaps more than any man. He said that, being on the front line, he has seen the danger the world faces.

That danger is the "determination of the leaders of Communism to take over the world," Lodge said, and "no one is going to take over." "The world looks to the U. S. for leadership — as we look toward our own government — and expects the U.S. to lead the world to a new plateau."

Lodge said we must be strong militarily so that "no one will dare attack us." He said we must be strong in the help we give, as in our pioneer spirit, to the undeveloped countries.

He said the nation must do things on a spiritual basis, "practice that which we preach and show it will work." "We must take care of our old people, have healthy communities, eliminate pockets of unemployment, offer opportunities for youth, and do things that need to be done and in a democratic way."

Lodge said that Khrushchev has said that he can improve the lot of the people. "That would be in the Communist way and we can do it in a free way," Lodge said.

Lodge said "we need a man of

Surprise Attack Is Soviet Doctrine, Defector Asserts

WASHINGTON (AP) — Soviet leaders would not hesitate to launch a surprise nuclear attack on the United States if they thought this nation could be smashed with one stroke, a former Soviet naval officer says.

Capt. Nikolai Fedorovich Artamonov testified Wednesday that Soviet military strategy has been based on the doctrine of a surprise nuclear attack since February 1955.

Artamonov, 32, who was commander of a Soviet destroyer in the Baltic fleet, defected to the United States in June 1959 while stationed at Gdynia, Poland.

His appearance before the House Committee on Un-American Activities, however, provided the first public disclosure of his presence in this country.

He said he had been in the United States since shortly after he fled to the West, working with U. S. agencies he did not name.

He said he lives now in New York City, at an undisclosed address, without guards or any form of protection from Communist retaliation.

Despite Premier Nikita Khrushchev's repeated pronouncements favoring disarmament, Artamonov said, the Soviet doctrine of a surprise attack has been official since February 1955. He said it was spelled out in a Soviet military publication available only to high-ranking officers.

America Can't Stand Still, Kennedy Says In Address

WITH KENNEDY IN NEW JERSEY (AP)—Sen. John F. Kennedy said today America "can't stand still in the eye of the hurricane" of political change sweeping the world.

The Democratic presidential nominee pressed down the accelerator on a motorcade campaign tour of politically-doubtful New Jersey with an attack on Eisenhower administration policies he said are "losing the lead to Russia" in world affairs.

Picking Bergen Mall Shopping Center in Paramus for this assault, Kennedy said in a prepared address that Soviet Premier Nikita Khrushchev and Cuban Prime Minister Fidel Castro will bring the cold war to America's doorstep in the United Nations next week.

"And yet the administration has told us that all is well," he said.

"In the 1930's while England slept, Hitler armed.

"Today, while we stand still, Khrushchev moves.

"We must learn to face the truth of our situation. You can't stand still in the eye of a hurricane. And hurricane winds of change are sweeping the world."

Kennedy said the summit collapse, the cancellation of President Eisenhower's visit to Japan and hostile mobs in other parts

2 U.S. Pilots End Simulated Trip To Moon

SAN ANTONIO, Tex. (AP) — Two Air Force pilots, grinning and happy, today completed a record-breaking 30-day simulated flight to the moon and back.

Capt. William D. Habluetzel of Ingleside, Tex., and Lt. John W. Hargreaves Jr., of Castle Air Force Base, Calif., stepped from their 8x12-foot pressurized steel tank at 6:30 a.m.

Habluetzel, 36, and Hargreaves, 30, were locked in the space cabin simulator at the School of Aviation Medicine here Aug. 15.

"I feel fine, just a little wobbly in the knees," said Habluetzel.

"I'm okay, except maybe I lost 15 pounds," said Hargraves.

Habluetzel said he did not experience headaches as previous space cabin test pilots have reported.

Habluetzel said he thought they felt as good as they did because they kept regular sleeping hours and did exercises every day.

"We did a lot of thinking, too. We had a lot of time for it. We thought about what people will go through when they actually fly a space ship. And we thought a lot about memories of the past," Habluetzel said.

Today's hatch-opening ceremony completed the Air Force's third major test designed to show the human body is capable of withstanding space frontier hardships.

Alcohol Ban Continued At Potters Grid Games

The ban on spectators carrying alcoholic beverages into Patterson Field will be enforced again in the 1960 season of the East Liverpool High School football team, which plays its first home game Friday night against Youngstown South, Police Chief Americo Radeschi reminded today.

The action amounts to continuance of a ban that has been in effect since the 1958 season, the chief said. The order applies to whisky, beer or any other alcoholic drink, whether in its original container or mixed with some other liquid, he added.

"Alcohol has no place in the crowd at an athletic contest, particularly a high school event where the crowd is made up principally of students," the chief said. "It can lead to unsportsmanlike conduct and offensive language on the part of fans."

Second Coup In 12 Hours Hits Congo

Others May Follow With Arrest Of Army Colonel By Premier

LEOPOLDVILLE, the Congo (AP)—A spokesman for Premier Patrice Lumumba said today Col. Joseph Mobutu was arrested on Lumumba's orders 12 hours after the colonel announced the army was taking over power.

Mobutu, coming forward as an army strongman, announced Wednesday night that the army was "neutralizing" both Lumumba and President Joseph Kasavubu, the contestants in the Congo's own cold war for power, and that the Soviets and other Communists were being given 48 hours to get out of the country.

But Lumumba's spokesman, Serge Michel, a leftwing French expatriate, announced today that Lumumba was still in power.

"The prime minister is having a working session," he said. "Col. Mobutu is out of harm's way. He has been arrested."

No one in the Congolese capital was surprised by the announcement of what appeared to be the second coup in 12 hours—with possibly others being prepared.

Crowds of President Kasavubu's Abako party supporters were still marching through the city, joyful over Mobutu's coup and chanting for Lumumba's death.

Immediately after Michel's announcement of Mobutu's arrest, the Senate met for an emergency session that was four short of a quorum.

Earlier Mobutu had told newsmen that Lumumba was at Camp Leopold II, the main army camp at Leopoldville. This was taken to mean that he was in custody, but the wily premier may have been busy winning his jailers over as he did once before when he was arrested on Kasavubu's orders.

In the fast-changing situation, steel-helmeted U.N. soldiers dispersed troops of Congolese in the European quarters. U.N. Ghana troops waited behind machine guns.

Mobutu, 30, was named army chief of staff only Wednesday by Kasavubu. He had told newsmen that the embassies of the Soviet Union and her satellites were being shut down and the Red diplomats expelled.

He told a news conference the army was taking over rule in the strife-torn young African republic until some solution is reached in the deadlocked power struggle between Kasavubu and Premier Patrice Lumumba.

City Boy, 15, Injured In Motorbike Mishap

A 15-year-old Bank St. youth is in "satisfactory" condition today at the Osteopathic Hospital with injuries suffered when his motorbike upset on Route 170 about a mile and a half north of Calcutta Wednesday night.

William Cubberly, son of Mr. and Mrs. Francis Cubberly, 1058 Bank St., received a fractured right collarbone, multiple abrasions and slight concussion.

The State Highway Patrol at Lisbon said Cubberly, headed south, lost control when the motor bike went onto a gravel berm and upset, throwing him.

U. N. Faces Crisis After Soviet Blast Of Dag's Policies

UNITED NATIONS, N. Y. (AP) —The United Nations faced a major crisis today as a result of a slashing Soviet attack on Secretary General Dag Hammarskjold and his Congo policies.

A wide-open break was threatened virtually on the eve of the Soviet Premier Nikita Khrushchev's appearance here.

The Western powers, led by the United States, prepared to rally to Hammarskjold's support in another round of Security Council meetings beginning this morning on the chaotic Congo situation.

The Soviet attack, more bitter than any ever made by a big power against a U.N. secretary general, came Wednesday night from Deputy Foreign Minister Valerian A. Zorin, newly arrived from Moscow. It reflected the intensity of the Soviet interest in the outcome of the power struggle in the new African country.

Zorin's blistering 74-minute speech against Hammarskjold was delivered after the Security Council failed to grant a Soviet bloc demand that a delegation representing leftist Congo Premier Patrice Lumumba take part in the debate. Only the Soviet Union, Poland and Ceylon voted for a motion to seat Lumumba's delegation, while the other eight council members abstained.

No action was taken on the admission of a rival delegation representing Congo President Joseph Kasavubu.

Zorin accused Hammarskjold of being a tool of Western imperialists, of conspiring with the NATO powers to undermine Lumumba and of trying to re-impose colonialism under the blue and white banners of the United Nations.

Chief U. S. Delegate James J. Wadsworth, in a statement outside the council, called the Soviet accusations "arrogant and hypocritical." He planned to throw his full support behind Hammarskjold during today's debate.

ST. LOUIS, Mo. (AP) — Vice President Richard M. Nixon wooed labor votes today after a free-wheeling news conference assertion he won't be downhearted if the Soviet Union puts the first man into space.

The Republican presidential nominee told reporters it was "hard to say" whether such a Soviet achievement would have an adverse effect on his candidacy.

But if it does happen, he said, "our own program is coming along splendidly, and if they do move ahead, they won't stay there long."

That was at a televised press conference in Peoria, Ill., before he spoke in Bradley University's Field House to a cheering crowd of some 10,000 persons.

Then he flew into St. Louis on the heels of Sen. John F. Kennedy, his Democratic rival, for an address before the convention of the million-member International Association of Machinists.

Nixon said upon his arrival here Wednesday night that he expected the union would endorse Kennedy.

But, he told an interviewer, "I appreciate the invitation to address the convention—who knows, I may pick up a few votes."

Fifteen of 20 persons indicted Wednesday by the Hancock County Grand Jury entered innocent pleas when arraigned yesterday afternoon before Judge J. Harold Brennan in Circuit Court in New Cumberland.

Arraignment is scheduled Monday for the owner of the Cactus Bar, William A. Watson, and three employes indicted on charges of illegal gaming devices and who did not appear in court yesterday.

Watson, the first tavern owner to be indicted in recent years by a Grand Jury on gaming charges, was named in indictments of keeping and exhibiting a gaming device (slot machine) and keeping and exhibiting a gaming table (blackjack).

The charges stemmed from a raid Aug. 30 on the Cactus Bar east of Chester by West Virginia State Police. Watson was fined $4,500 Tuesday in U. S. District Court in Wheeling for failure to purchase federal gambling device tax stamps.

Indicted on the same charges as Watson were Martha Nola, 35, of Hookstown, R. D. 1, and Hazel Shovlin, 31, of 506 E. 5th St. Lam-

50,000 Flee Gale's Fury Along Coast

Tornadoes, Offshoot Of Hurricane, Rip Panama City, Fla.

PENSACOLA, Fla. (AP)—Hurricane Ethel, her power drained considerably by colder air, moved toward the coast today with top winds estimated at 100 miles an hour.

A 8 a.m. (EDT) Weather Bureau bulletin placed the center of the storm 80 miles south southwest of Mobile and heading for the Mobile-Pensacola area at 15 miles per hour.

Tornadoes, an offshoot of the hurricane, struck in the Panama City, Fla., area today, 100 miles to the west. Power lines were knocked down and other property damaged by the twisters in the communities of West Bay and Springfield, the Florida Highway Patrol reported. No casualties were reported.

The Coast Guard in New Orleans reported two persons were missing and presumed drowned after their boat capsized near the mouth of the Mississippi River about 90 miles southeast of New Orleans.

The center of the storm extended outward 100 miles to the northeast and 50 miles to the southwest, the Weather Bureau said.

One death was indirectly attributed to the storm. Juste Savoie, 68, a retired engineer, died in New Orleans of a heart attack while securing attic windows preparing for the storm. At first there were indications the hurricane would strike New Orleans.

Authorities in the central Gulf Coast estimated at least 50,400 persons fled from the fury of the storm.

At New Orleans, Louisiana Civil Defense officials said a conservative estimate of persons in shelters and private homes in southeast Louisiana was 31,000.

Residents of Louisiana's marshland country left without a second warning, undoubtedly recalling that Hurricane Audry left 500 dead and missing in 1957.

The hurricane developed so quickly off the Yucatan Peninsula deep in the Gulf Wednesday that many areas were caught unprepared. Weather Bureau officials at Miami feared that storm preparations might have started too late and that the hurricane might cause millions of dollars of property damage and possible loss of life.

Evacuees crowded into the shelters, but the hurricane-force winds died and gusts up to 45 miles per hour swept across lands near the mouth of the Mississippi River, about 100 miles southeast of New Orleans.

Dock Workers Plan To Heckle Khrushchev

NEW YORK (AP)—The dock workers plan to heckle Soviet Premier Nikita Khrushchev when he sails into New York harbor Monday.

Thomas W. Gleason, general organizer of the International Longshoremen's Association, said his union is hiring an excursion boat to go down the bay to meet the Baltika, the ship bringing Khrushchev here for the United Nations meeting.

The Baltika will dock at pier 73, East River and 25th street, 17 blocks south of the U. N.

When the Baltika is in earshot, Gleason said, the dockers will give out with catcalls and boos. The boat will be decorated with anti-Communist placards and banners.

And a band aboard the boat will play "God Bless America"—fortissimo.

50,000 Flee Gale's Fury Along Coast

Tornadoes, Offshoot Of Hurricane, Rip Panama City, Fla.

PENSACOLA, Fla. (AP)—Hurricane Ethel, her power drained considerably by colder air, moved toward the coast today with top winds estimated at 100 miles an hour.

A 8 a.m. (EDT) Weather Bureau bulletin placed the center of the storm 80 miles south southwest of Mobile and heading for the Mobile-Pensacola area at 15 miles per hour.

Tornadoes, an offshoot of the hurricane, struck in the Panama City, Fla., area today, 100 miles to the west. Power lines were knocked down and other property damaged by the twisters in the communities of West Bay and Springfield, the Florida Highway Patrol reported. No casualties were reported.

The Coast Guard in New Orleans reported two persons were missing and presumed drowned after their boat capsized near the mouth of the Mississippi River about 90 miles southeast of New Orleans.

The center of the storm extended outward 100 miles to the northeast and 50 miles to the southwest, the Weather Bureau said.

One death was indirectly attributed to the storm. Juste Savoie, 68, a retired engineer, died in New Orleans of a heart attack while securing attic windows preparing for the storm. At first there were indications the hurricane would strike New Orleans.

Authorities in the central Gulf Coast estimated at least 50,400 persons fled from the fury of the storm.

At New Orleans, Louisiana Civil Defense officials said a conservative estimate of persons in shelters and private homes in southeast Louisiana was 31,000.

Residents of Louisiana's marshland country left without a second warning, undoubtedly recalling that Hurricane Audry left 500 dead and missing in 1957.

The hurricane developed so quickly off the Yucatan Peninsula deep in the Gulf Wednesday that many areas were caught unprepared. Weather Bureau officials at Miami feared that storm preparations might have started too late and that the hurricane might cause millions of dollars of property damage and possible loss of life.

Evacuees crowded into the shelters, but the hurricane-force winds died and gusts up to 45 miles per hour swept across lands near the mouth of the Mississippi River, about 100 miles southeast of New Orleans.

Dock Workers Plan To Heckle Khrushchev

NEW YORK (AP)—The dock workers plan to heckle Soviet Premier Nikita Khrushchev when he sails into New York harbor Monday.

Thomas W. Gleason, general organizer of the International Longshoremen's Association, said his union is hiring an excursion boat to go down the bay to meet the Baltika, the ship bringing Khrushchev here for the United Nations meeting.

The Baltika will dock at pier 73, East River and 25th street, 17 blocks south of the U. N.

When the Baltika is in earshot, Gleason said, the dockers will give out with catcalls and boos. The boat will be decorated with anti-Communist placards and banners.

And a band aboard the boat will play "God Bless America"—fortissimo.

2 Tax Claims Are Reduced In Settlement

CLEVELAND (AP)—Two large tax claims were settled at reduced figures in U.S. Tax Court Wednesday, and stipulations for settlement of two other big government tax claims were filed, also at reduced rate.

Claims totaling $73,019 against Felix Arment of Cuyahoga Falls and the estate of his wife, Pierrine Marie, who died in 1957, were settled for $54,093, including $24,203 in penalties. Joint income tax returns from the couple from 1946 to 1956 were involved.

Brush-Moore Newspapers, Inc., of Canton, settled a $139,540 claim on income taxes for 1955-56 for $95,588. The claim involved payments made to widows of company officers.

A stipulation was filed reducing a $397,707 income tax claim against Sydney J. Rudolph, Lorain jeweler, to $250,000, including $75,285 in penalties.

Rudolph pleaded guilty to income tax fraud in U.S. District Court here March 21, 1958, and was released six months ago from the Milan, Mich. federal prison where he had been sentenced to three years.

Evidence was presented that he kept cash and charge sales separately at his Lorain store and allegedly did not report the full amount of cash income of 1943 and 1953.

Joseph Koza of Campbell, charged with failing to file complete returns on numbers and pinball machine gambling operations income in 1952-1953-1954 must pay $30,022, including $9,936 in penalties, under the newly reached stipulation. He had been charged with owing $45,440.

Man Arrested In $258 Theft

Herbert Fiets of W. 6th St., formerly of Rochester, was taken into custody Wednesday afternoon on a charge he stole jewelry and cash valued at a total of $258 early Sept. 8 from a Washington St. home.

Harry Shaw, 301 Washington St., signed the affidavit alleging Fiets stole 2 diamond rings valued at $175, a man's wristwatch worth $35 and a wallet containing $48. Fiets was taken into custody at 12:15 p. m. by Patrolman W. E. McDaniel, police said. Shaw filed the affidavit Tuesday.

Arraigned this morning before Municipal Judge Samuel M. Chertoff, Fiets requested a continuance to secure counsel, so the judge set his preliminary hearing for Monday morning. Bond was set at $1,000. No plea was taken and no evidence was introduced because of the continuance.

The theft was reported to police by Shaw's wife. She said she heard someone enter the home via an unlocked door in the middle of the night, but was not alarmed because she thought it was her husband coming home. Later, the loss was discovered.

Meanwhile, Mrs. Martha Gump, 314 Ogden St., reported a theft of $17 in rolled coins from her home.

Mrs. Gump said the money was taken from her bedroom between Sept. 5 and Tuesday. She reported the theft at 5:05 p. m. Wednesday. The loss included $10 in quarters, $5 in dimes and $2 in nickels, she said.

Chester Park Group Plans Fund Appeals

An appeal for financial support for the Chester City Park is to be mailed this week to Chester and area residents by the Park Commission.

The quarterly letter of solicitation — read at a meeting of the commission Wednesday night at the City Hall—points out the community building at the park has not been completed because of lack of funds.

The commission owes $4,285 for work already done, and which is being paid at the rate of $50 a month, while some $5,000 still is needed for fixtures, floors and other items before the building can be used, Harold Dickey, chairman, said.

In the last quarter solicitation, residents gave $359.50, but this amount covered only the cost of upkeep of the park, Dickey explained.

He reported installation of restrooms in the community building has been completed at a cost of $525, and will be available for the high school football season.

Dickey said, "the Park Commission and other citizens are interested in making the city a better place to live and improvement of the park should go hand-in-hand with any reform movement."

Never So Disastrously Successful

Patrice Lumumba has not yet made reservations for the United Nations General Assembly. Nor Mao Tse-tung, who has no right to come, because his government isn't a member.

If they both showed up, along with Fidel Castro, Gamal Nasser and the gaggle of Communist-bloc geese led by the head gander, Nikita Khrushchev, the United Nations would have hit its peak as a congeries of leading political figures.

President Eisenhower will be on hand, next Thursday, to address the General Assembly. All the non-Communist members will be represented by competent spokesmen, and if necessary the heads of their governments could be flown to Manhattan Island in 24 hours.

The United Nations never has been so brightly spotlighted as a gathering of notables, even if some of the notables are more notorious than notable. This could be construed as an hour of triumph, except for one thing.

The Communist-bloc figureheads who are coming to the U.N. General Assembly are not interested in the U.N.'s success.

IT IS NO PART of their purpose "to reaffirm faith in fundamental human rights, in the dignity and worth of the human person . . . to practice tolerance and live together in peace with one another as good neighbors in peace . . . to employ international machinery for the promotion of the economic and social advancement of all peoples."

The aims of the U.N. Charter are not their aims.

The hopes of non-Communist U.N. members are not their hopes.

The peace they prate about is not the peace of mutual trust and understanding that Americans pray for with their hearts and pay for endlessly with their generosity to people who need help to stave off dictatorship.

When so many people whose words and deeds are a denial of the high aspirations of the U.N. Charter converge on the United Nations, it is in grave danger.

They are not converging to make it stronger. They are converging for the kill. A hyena pack is being rallied.

This could be a grisly prelude to the disaster that has stalked the United Nations ever since the first Russian "Nyet" was snarled in the Security Council.

THE DISASTER would be creation by infiltration and intrigue of a majority in the United Nations hostile to the purposes of the U.N. Charter.

It would be a situation in which the governments of free peoples could not uphold their cause against an international voting bloc of irreconcilable foes of freedom.

It would be a crisis of rule or ruin by the authoritarian members of the United Nations.

They never will be satisfied to work in harmony inside an organization they cannot dominate. They will not live and let live in a spirit of co-existence. If they cannot use the United Nations for their own purposes, they will destory it.

Their first overt move may be in the making.

Never has the United Nations received so much attention. Never has it been closer to disaster than it is at this moment.

Another Good Sign

The proposed mass meeting in Weirton to discuss conditions in Hancock County adds to the hope that something in the way of a general cleanup may be in the wind.

It is another of the encouraging signs which have appeared recently.

The more people who get behind the campaign the greater the possibility that something can be done to eliminate gambling and the illegal sale of whisky.

The meeting at Weirton will presnt an excellent opportunity for others to join the fight. The more the merrier. Public opinion can carry considerable weight. And in the present case it is being channeled in the proper direction.

Are You Registered To Vote?

If you aren't registered to vote, the next 11 days are important ones. During that time you must take steps to become eligible to go to the polls on Nov. 8 or give up one of your most precious rights as a free citizen.

Many appeals appear on the editorial page of The Review from time to time, but none is more important than this one imploring those not yet registered to do so at once.

East Liverpool again is the only community in Columbiana County where voter registration is required. And, as always, the Election Board at 129 W. 6th St. stands ready to add your name to the voter lists.

Registration requirements will appear daily on the front page until the deadline. As an added reminder, however, they are repeated here. You must register if:

You haven't voted at a primary, general or special election in the last two years; you've changed your name by marriage or court action; you've changed your residence since the last election; you've become 21 since the last election or will be 21 on or before Nov. 8, the general election date.

Before The Melancholy Days

Poets take on about spring, but they have let the lyric writers have fall pretty much to themselves. And these gentlemen, with their falling leaves and their mooning and moaning about summer romances and no time to wait when we reach September, have turned the whole thing into a saga of sadness.

That's not what it is before. Before the melancholy days have come—the saddest of the year—fall can be the most wonderful of seasons. Then if ever come the perfect days that we wait for in vain in June.

It is a time of briskness. It is a time of sound sleeping by night and invigorated living by day.

It is a time of sharp appetites and large undertakings once the inner man has been stoked with energy. Children go back to school and life goes back on schedule. Bedtime comes at a reasonable hour, and there is less temptation to be up and about at an unreasonable hour the next morning.

Not the least of the good things that happen is the eager discarding of things that go with summer but can be taken too far, like al fresco eating. Meals move back inside, where they belong. Lawn furniture is relinquished to the birds. The lawn mower cools off in the corner of the garage, and there are no weeds worth pulling in the garden.

Fall is the closest thing to climate perfection, when it hits its stride. Not the melancholy part of fall, when summer has fled, but the invigorating part before the melancholy part, when summer is on the brink of leaving. It lasts sometimes a fortnight, before a hard rain strips the trees and chills the ground.

It's designed for enjoyment. Give it the same tender loving care that's traditionally given to its counterpart in June, when those ballyhooed perfect days never come.

The Once Over

By H. I. Phillips

The will of Oscar Hammerstein had the following invisible clauses, we think: (1) To show business I leave my deepest appreciation of great opportunities, fantastic approval and undying memories of first nights. (2) To New York my thanks for its magic spell that gripped me from boyhood, through its people, its tempo, its life, its drama, its fun and its daily scenes, events and "enchanted evenings."

(3) To Broadway my gratitude for its inspirations, its spirit and its color. (4) My appreciation of the performers, big and little, the directors, the musicians and all others with whom I had the luck to work.

(5) I bequeath to Dick Rodgers the everlasting reverence for a great pal and collaborator and my pledge to put in a good word for him at the golden gates. (6) I leave my deep love to the young people arriving in the big city hoping for their chance on Broadway and battling on high courage, determination and budget lunches.

(7) If as I believe there are opportunities for intercession "up there" I bequeath my promise to get in an "assist" for the talented unknowns deserving of a break.

(8) To musicians, orchestra leaders, chorus people, top stars, writers, critics "on the road" in the small towns as well as the big cities, my thanks for everything. It all helped to make June bust out all over and to bring beloved voices across a crowded room.

AMERICAN SUCCESS STORY in the ofsneered-at Horatio Alger pattern was that of Vincent Riggio, dead at 82, who began life on East Side as a tailor shop errand boy at $3 a week, tried his hand as a barber, got a small job in tobacco business and became head of American Tobacco Co. He started with the cigarette industry in days of "Sweet Corporals" and "Egyptian Straights." Just before his retirement his yearly pay was a half-million.

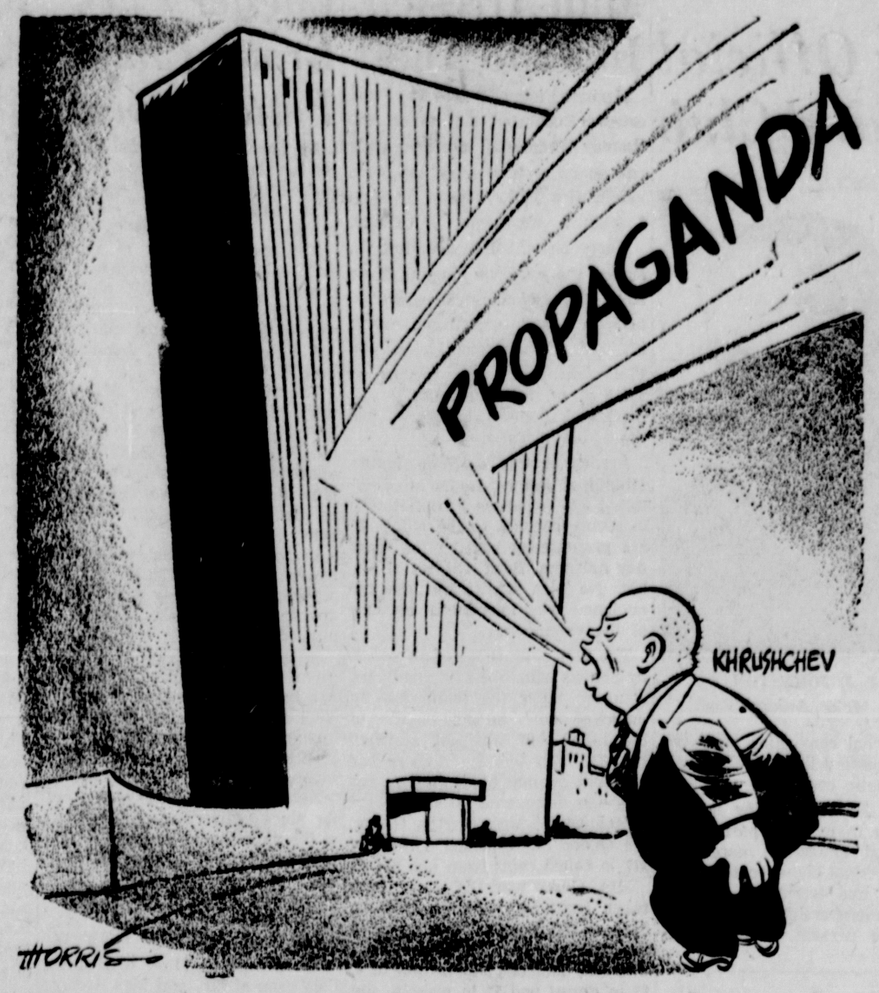
Not Use For Which It Was Intended



Older Bloc Of Voters Being Wooed

By Victor Riesel

A skull session was held in a labor headquarters in Washington not too many months ago on where there might be untapped pools of votes — by the millions — for the Democratic - Labor coalition. Those men, gathered in the Industrial Union Dept. headed by Walter Reuther, soon decided to concentrate on a bloc of 12.5 million people.

Victor Riesel

They are the men and women over 65 who are bound together by one very slender strand. They all meet the retirement test.

This means they have little or no personal income and live off Social Security payments.

They are our lowest income group and many of them stirred nostalgically and unhappily when an ancient figure of a man named Dr. Townsend (60 dollars at 60) rose once more onto the front pages by dying at 94.

THERE WAS much talk at the labor session of organizing the oldsters into clubs, getting them registered and convincing them to vote in a bloc.

There was a suggestion that perhaps a mass meeting in Lafayette Square in front of the White House would dramatize their unity and demands and swing them into the balloting booths on Nov. 8.

Many of the "retirees" are former union members. Only the United Auto Workers, led by Walter Reuther, has had a smoothly efficient retiree department devoted to everything from social activities, sports and swimming to the solidarity of the social security circles.

However, Reuther is not to have that distinction inside labor for very long. In St. Louis, for example, Al J. Hayes, leader of the Machinists, told a pre-convention session of his high command the time had come to set up 2,000 "Older and Retired Workers Committees."

This will be but one of a spreading network of units for older folks which will talk of a rosier future these days when 65 really is the elder end of middle age.

THERE WILL ARRIVE in Washington, for example, a Zalmen J. Lichtenstein whose task it will be to organize "Golden Ring" clubs made up of "senior citizens."

His assisgnment on the AFL-CIO payroll is to coordinate these clubs so they become the center around which to enroll and attempt to influence the 12.5 million retirees.

There will be a series of mass meetings sponsored by the AFL-CIO. Six of them will be "major ones," I'm told.

The report is they'll be run in Philadelphia, Chicago, Cleveland, Los Angeles, New York and one other strategic site still to be chosen.

Typical of this drive is the push in New York, where a mass meeting is scheduled for next week. There are 800,000 retirees in the state. Roughly this comes to one in 20 on a straight population basis. But it is one out of every nine voters—if all the retirees are registered.

THEY COULD easily be the balance of power bloc. How they voted in the 1958 Rockefeller-Harriman gubernatorial race, no one now knows. But if they can be organized in a voting group by the energetic labor leaders, they could take the state from the Republicans.

The Democratic-Labor coalition is as aware of this as a pinch hit batter is of a three and two count. While political circles elsewhere are thundering about other issues, the union organizers everywhere are calling on their older neighbors, getting them registered, noting those who will need auto transportation to the polling booths on Election Day. Retirees don't spend money easily on fares or taxi rides.

If the 12.5 million on Social Security benefits are woven into one strong movement and linked to labor, the older folks in many areas will be the political wave of the future.

Two Old New Deals

By Raymond Moley

The publication of one of Arthur M. Schlesinger, Jr.'s series of books on "The Age of Roosevelt" becomes a political event for at least two reasons. Schlesinger has become a politician in his own right, although he holds a professorship at Harvard.

That is not unusual among present-day members of that faculty. But Schlesinger is perhaps the most active Democratic and ADA pamphleteer and adviser of candidates.

Also, there is so much of present Democratic policy that is rooted in or borrowed from the Roosevelt days that the origins become important to the understanding of what candidate Kennedy is talking about.

In principle, there is nothing much new in the basic programs advocated by the dominant liberal Democrats. The differences are in emphasis and details.

Like Schlesinger's earlier books, his new volume, "The Politics of Upheaval," is most readable, vivid, racy, and interesting.

Covering the years 1935-1936, he describes the transition from the first to the second New Deal. He is right in making that distinction.

At the time it was happening, I was, as Schlesinger is now, a professor-politician and very close to the scene. I noted the change and called the new tack the "Second New Deal."

I MAY ADD that the President suddenly turned in his course at least 90 degrees. Schlesinger notes in his book that I abandoned the new and strange Democratic party that was in the course of construction.

There were certain circumstances that changed the President's direction, however, that Schlesinger fails to note. And they were the decisive ones.

After the great victories of Roosevelt and the Democratic party in 1932 and 1934 — victories entirely due to depression conditions and the country's confidence that Roosevelt was at any rate trying something new — he and the late Edward J. Flynn sat down for a serious look at the future.

Schlesinger fails to realize the enormous importance of Flynn in the Roosevelt era.

He not only was closer politically to the President than Farley or anyone else but he was one of the most accomplished strategists of his time.

Louis Howe, the President's old faithful Father Joseph, was on his death-bed.

Many of the rest of us who had been through the battles of 1932 and 1934 were drifting away. But Flynn, secure in his grip on New York, was in charge.

As Flynn told me at the time, his argument ran this way: By all past measurements the Democratic party was a minority. Its old fortresses in the South and elsewhere were declining.

Something must be done to mobilize the discontented, the city minorities, and the labor unions. This meant dropping the old principles of the party — states' rights, limitation of power, orderly change.

There were, Flynn said, about seven million votes to be gathered into the Democratic party by a radical turn to the left. And so in 1935 the strategy changed.

IN THAT YEAR all of the major legislation was pro-city masses and anti-business — the Wagner Act, social security, the holding company legislation, and more money for public power and public works.

The proof of this is in the fact that from 1936 on, the Roosevelt vote increased greatly in the big cities and declined in the country counties and the small towns.

Most important was the birth of the CIO, under the patronage and encouragement of the Roosevelt administration. This was because the CIO was vertical unionism, and vertical unionism is inevitably political.

Utlimately and up to the present, the political labor unions and the Democratic party (the dominant liberal wing) are as one.

Together with other minority groups and pressure agencies such as public power, etc., they dominate the scene. The South became a prisoner in its one-party system.

All this Schlesinger misses. He conceives the change as merely an ideological one. President Roosevelt cared very little for ideological niceties. He was interested in votes, and with Flynn decided that to win, you get there first where there are the "mostest votes."

The new strategy worked for many years, but the Democratic party of Al Smith, Wilson, and Cleveland died in the process.

Khrushchev's Reception

By David Lawrence

U.S. Has Verbal Ammunition To Hit Back

What to do about Nikita Khrushchev's visit to New York is getting to be a bigger question mark for the moment than who is going to win the presidential election in November.

David Lawrence

Two opposite views are prevalent. Harry Truman, for instance, expresses the opinion that Khrushchev should be ignored by the press because he has insulted our President, while Mrs. Franklin D. Roosevelt says it's "silly" to restrict Khrushchev's movements to Manhattan Island as the Department of State has ordered.

It will be noted that Mrs. Roosevelt spoke her mind while visiting in London, where several British newspapers have been sharply critical of the American government's decision.

The trouble, of course, is that the British suffer from a historic affinity for politeness to dictators, and unwittingly they build up the ego of such men. Had they gotten tougher with Hitler in the 1930's, instead of playing up to him at "summit" conferences at Munich, there might not have been a second world war.

The issue between those who would embrace Khrushchev, or at least treat him just as if he were a sane and civilized diplomat, and those who would snub him spectacularly is not one that is going to be settled by public opinion.

If the American people had their way, they would prefer to have the Soviet dictator shipwrecked on a desert island — without vodka—during his voyage across the Atlantic this week.

THE GAME which he is planning to play at the United Nations meeting is one that has to be countered skillfully by the American government.

The Soviet dictator's speeches undoubtedly will add to the insults he flung at this country during the Paris summit Conference last May. There will have to be forceful responses this time from the American representatives.

As for the restrictions placed on Khrushchev's movements, this step was taken for two reasons.

First, the problem of affording protection to the Soviet dictator and his party might get beyond control as passions rise.

Second, the American government did not invite the Soviet dictator to tour the United States.

It will be recalled that he himself withdrew an invitation previously extended to President Eisenhower to visit Russia.

One reason given for the cancellation was that the political climate in Russia had altered and that the people there were in an antagonistic mood toward the United States. So it works both ways.

If the Soviet dictator thinks that, because the Eisenhower administration is winding up its term, the people here no longer care how many insults are flung at their president, he can be adequately informed of his mistake only by demonstrations of displeasure at his coming such as he will doubtless encounter next week.

Certainly the Hungarian refugees in the United States are not happy to see the Communist puppet who heads the Hungarian government coming here arm-in-arm with the Soviet dictator.

THE COMBINATION awakens bitter memories of the bloodshed of their Hungarian kinsmen — the brutality of tanks riding roughshod over the bodies of men, women and children in Budapest in 1956.

Khrushchev evidently thought that a mobilization at the United Nations of officials of the Communist bloc, including foreign ministers and premiers under his thumb, would impress the American people.

One is surprised to see Nasser of Egypt falling for the Khrushchev line and attaching himself to the group led by the Communist chieftain, but it will be recalled that the Egyptian dictator has been getting vast sums of money from Moscow for the Aswan Dam, and he must show some sense of reciprocity. A visit to the U.N. to please Khrushchev is a cheap price to pay.

This, however, is hardly the "neutralism" which so many of the newborn countries now claim to be their policy.

About all it proves is that the movement against "colonialism" was largely exploited by the Communists as a means of substituting their own brand of colonialism in the Middle East and Southeast Asia and now in Africa.

The attitude of the American people is unmistakably clear. If they had their way, they would prefer that the newspapers did not print a line about Khrushchev's visit or give space to his speeches. But the press, on the other hand, has learned from experience that suppression plays the game of the criminal and that exposure of the guilty is the best policy at all times.

CERTAINLY in the propaganda battle American officials are not to be passive.

There are plenty of charges that can be aired during the Khrushchev visit to the U.N. For one thing, his regime can be charged formally with treason against the U.N. during the last few weeks in the Congo.

Like vise, American speakers can demand that true independence be given to the countries now behind the Iron Curtain.

For or what avail is it that Khrushchev should be crying out for independence for the black men of Africa, when millions of white men, yellow men and brown men in Europe and Asia are being held under the yoke of Communism?

There is lots to be said to Nikita Khrushchev during his coming visit and it is to be hoped that the American government will make some interesting news that will deflate Khrushchev's propaganda campaign.

Russians Make U.S. Dance

By James Marlow

WASHINGTON

Once again the Russians are making the United States dance. Repeatedly this country's actions have been reactions to Communist actions. It happens again.

President Eisenhower has finally decided he'd better try to address the United Nations General Assembly next week before Premier Nikita Khrushchev has a chance.

There was no indication Eisenhower had any intention of going before the U.N. until it was learned Khrushchev and the Communist chiefs of the Iron Curtain countries were coming to the Assembly meeting which opens in New York Sept. 20.

And even then the administration played with the idea of avoiding a direct meeting—even if it meant only being in the same assembly hall together—between Eisenhower and Khrushchev.

At first it seemed the administration had no plans for countering any anti-American propaganda Khrushchev and his satellite friends might turn loose at the United Nations.

Then it was decided that Secretary of State Christian A. Herter should go there and speak before it was Khrushchev's turn. This seemed to be the administration's plan, although Eisenhower had talked vaguely on Sept. 7 of going to the United Nations.

Meanwhile, the State Department slapped restrictions on Khrushchev by saying that, for security reasons, the Russian would not be allowed to leave Manhattan Island when he got here.

The Russians began to denounce this. So did Khrushchev from aboard the ship bringing him here.

Then the administration finally seemed to realize that if Herter spoke first but Eisenhower waited weeks—or until after Khrushchev had departed—before talking to the international group the Russian damage might be complete.

So Wednesday the administration did a switch and said Eisenhower would take Herter's place in addressing the General Assembly next week, probably before Khrushchev speaks.

It was only a year ago that Khrushchev blackjacked the West and Eisenhower into agreeing to a summit meeting by his threats of shutting off West Berlin unless there was a meeting to discuss a settlement of some kind.

There was no doubt that Eisenhower even invited Khrushchev here last September to try to cool him off on Berlin before there was a summit conference.

Eisenhower surely knows that his going to the United Nations is a pretty ticklish journey since no one can guess what Khrushchev might pull off to embarrass him again in the eyes of the world.

Still, Eisenhower could hardly afford, with the whole world watching, to let Khrushchev dominate the U.N. meeting and perhaps denounce the United States from inside America without any effort to punch back.

Never So Disastrously Successful

Patrice Lumumba has not yet made reservations for the United Nations General Assembly. Nor Mao Tse-tung, who has no right to come, because his government isn't a member.

If they both showed up, along with Fidel Castro, Gamal Nasser and the gaggle of Communist-bloc geese led by the head gander, Nikita Khrushchev, the United Nations would have hit its peak as a congeries of leading political figures.

President Eisenhower will be on hand, next Thursday, to address the General Assembly. All the non-Communist members will be represented by competent spokesmen, and if necessary the heads of their governments could be flown to Manhattan Island in 24 hours.

The United Nations never has been so brightly spotlighted as a gathering of notables, even if some of the notables are more notorious than notable. This could be construed as an hour of triumph, except for one thing.

The Communist-bloc figureheads who are coming to the U.N. General Assembly are not interested in the U.N.'s success.

IT IS NO PART of their purpose "to reaffirm faith in fundamental human rights, in the dignity and worth of the human person . . . to practice tolerance and live together in peace with one another as good neighbors in peace . . . to employ international machinery for the promotion of the economic and social advancement of all peoples."

The aims of the U.N. Charter are not their aims.

The hopes of non-Communist U.N. members are not their hopes.

The peace they prate about is not the peace of mutual trust and understanding that Americans pray for with their hearts and pay for endlessly with their generosity to people who need help to stave off dictatorship.

When so many people whose words and deeds are a denial of the high aspirations of the U.N. Charter converge on the United Nations, it is in grave danger.

They are not converging to make it stronger. They are converging for the kill. A hyena pack is being rallied.

This could be a grisly prelude to the disaster that has stalked the United Nations ever since the first Russian "Nyet" was snarled in the Security Council.

THE DISASTER would be creation by infiltration and intrigue of a majority in the United Nations hostile to the purposes of the U.N. Charter.

It would be a situation in which the governments of free peoples could not uphold their cause against an international voting bloc of irreconcilable foes of freedom.

It would be a crisis of rule or ruin by the authoritarian members of the United Nations.

They never will be satisfied to work in harmony inside an organization they cannot dominate. They will not live and let live in a spirit of co-existence. If they cannot use the United Nations for their own purposes, they will destory it.

Their first overt move may be in the making.

Never has the United Nations received so much attention. Never has it been closer to disaster than it is at this moment.

Another Good Sign

The proposed mass meeting in Weirton to discuss conditions in Hancock County adds to the hope that something in the way of a general cleanup may be in the wind.

It is another of the encouraging signs which have appeared recently.

The more people who get behind the campaign the greater the possibility that something can be done to eliminate gambling and the illegal sale of whisky.

The meeting at Weirton will presnt an excellent opportunity for others to join the fight. The more the merrier. Public opinion can carry considerable weight. And in the present case it is being channeled in the proper direction.

Are You Registered To Vote?

If you aren't registered to vote, the next 11 days are important ones. During that time you must take steps to become eligible to go to the polls on Nov. 8 or give up one of your most precious rights as a free citizen.

Many appeals appear on the editorial page of The Review from time to time, but none is more important than this one imploring those not yet registered to do so at once.

East Liverpool again is the only community in Columbiana County where voter registration is required. And, as always, the Election Board at 129 W. 6th St. stands ready to add your name to the voter lists.

Registration requirements will appear daily on the front page until the deadline. As an added reminder, however, they are repeated here. You must register if:

You haven't voted at a primary, general or special election in the last two years; you've changed your name by marriage or court action; you've changed your residence since the last election; you've become 21 since the last election or will be 21 on or before Nov. 8, the general election date.

While political circles elsewhere are thundering about other issues, the union organizers everywhere are calling on their older neighbors, getting them registered, noting those who will need auto transportation to the polling booths on Election Day. Retirees don't spend money easily on fares or taxi rides.

If the 12.5 million on Social Security benefits are woven into one strong movement and linked to labor, the older folks in many areas will be the political wave of the future.

Two Old New Deals

By Raymond Moley

The publication of one of Arthur M. Schlesinger, Jr.'s series of books on "The Age of Roosevelt" becomes a political event for at least two reasons. Schlesinger has become a politician in his own right, although he holds a professorship at Harvard.

That is not unusual among present-day members of that faculty. But Schlesinger is perhaps the most active Democratic and ADA pamphleteer and adviser of candidates.

Also, there is so much of present Democratic policy that is rooted in or borrowed from the Roosevelt days that the origins become important to the understanding of what candidate Kennedy is talking about.

In principle, there is nothing much new in the basic programs advocated by the dominant liberal Democrats. The differences are in emphasis and details.

Like Schlesinger's earlier books, his new volume, "The Politics of Upheaval," is most readable, vivid, racy, and interesting.

Covering the years 1935-1936, he describes the transition from the first to the second New Deal. He is right in making that distinction.

At the time it was happening, I was, as Schlesinger is now, a professor-politician and very close to the scene. I noted the change and called the new tack the "Second New Deal."

I MAY ADD that the President suddenly turned in his course at least 90 degrees. Schlesinger notes in his book that I abandoned the new and strange Democratic party that was in the course of construction.

There were certain circumstances that changed the President's direction, however, that Schlesinger fails to note. And they were the decisive ones.

After the great victories of Roosevelt and the Democratic party in 1932 and 1934 — victories entirely due to depression conditions and the country's confidence that Roosevelt was at any rate trying something new — he and the late Edward J. Flynn sat down for a serious look at the future.

Schlesinger fails to realize the enormous importance of Flynn in the Roosevelt era.

He not only was closer politically to the President than Farley or anyone else but he was one of the most accomplished strategists of his time.

Louis Howe, the President's old faithful Father Joseph, was on his death-bed.

Many of the rest of us who had been through the battles of 1932 and 1934 were drifting away. But Flynn, secure in his grip on New York, was in charge.

As Flynn told me at the time, his argument ran this way: By all past measurements the Democratic party was a minority. Its old fortresses in the South and elsewhere were declining.

Something must be done to mobilize the discontented, the city minorities, and the labor unions. This meant dropping the old principles of the party — states' rights, limitation of power, orderly change.

There were, Flynn said, about seven million votes to be gathered into the Democratic party by a radical turn to the left. And so in 1935 the strategy changed.

IN THAT YEAR all of the major legislation was pro-city masses and anti-business — the Wagner Act, social security, the holding company legislation, and more money for public power and public works.

The proof of this is in the fact that from 1936 on, the Roosevelt vote increased greatly in the big cities and declined in the country counties and the small towns.

Most important was the birth of the CIO, under the patronage and encouragement of the Roosevelt administration. This was because the CIO was vertical unionism, and vertical unionism is inevitably political.

Utlimately and up to the present, the political labor unions and the Democratic party (the dominant liberal wing) are as one.

Together with other minority groups and pressure agencies such as public power, etc., they dominate the scene. The South became a prisoner in its one-party system.

All this Schlesinger misses. He conceives the change as merely an ideological one. President Roosevelt cared very little for ideological niceties. He was interested in votes, and with Flynn decided that to win, you get there first where there are the "mostest votes."

The new strategy worked for many years, but the Democratic party of Al Smith, Wilson, and Cleveland died in the process.

Down Through The Years

From The Review Files

THIRTY YEARS AGO — Ethel May Hoyt of Michigan Ave., a student at Neville School, won first prize for the best vase of dahlias entered by school children in the East Liverpool Dahlia Show.

John V. Swearingen Jr. of Indiana Ave., Chester, was appointed foreign service officer at British Guiana, South America.

Work got under way on the installation of 2,100 water meters for the domestic consumers in Wellsville.

TWENTY YEARS AGO — Sparked by the off-tackle slants of Fred Rindfuss, the East Liverpool Potters trounced East Palestine, 40-0, in the opening game of the 1940 season.

Joseph F. Bishop replaced Delmar R. Serafy as executive secretary of the Columbiana County Public Health League.

Clyde W. Marshall of East Liverpool was declared the all-round casting championship of the United States, in a dispatch from R. P. Merrill, secretary of the NAACC.

TEN YEARS AGO—A Pleasant Heights delegation asked City Council to seek 15-minute bus service.

Khrushchev's Reception

By David Lawrence

U.S. Has Verbal Ammunition To Hit Back

What to do about Nikita Khrushchev's visit to New York is getting to be a bigger question mark for the moment than who is going to win the presidential election in November.

David Lawrence

Two opposite views are prevalent. Harry Truman, for instance, expresses the opinion that Khrushchev should be ignored by the press because he has insulted our President, while Mrs. Franklin D. Roosevelt says it's "silly" to restrict Khrushchev's movements to Manhattan Island as the Department of State has ordered.

It will be noted that Mrs. Roosevelt spoke her mind while visiting in London, where several British newspapers have been sharply critical of the American government's decision.

The trouble, of course, is that the British suffer from a historic affinity for politeness to dictators, and unwittingly they build up the ego of such men. Had they gotten tougher with Hitler in the 1930's, instead of playing up to him at "summit" conferences at Munich, there might not have been a second world war.

The issue between those who would embrace Khrushchev, or at least treat him just as if he were a sane and civilized diplomat, and those who would snub him spectacularly is not one that is going to be settled by public opinion.

If the American people had their way, they would prefer to have the Soviet dictator shipwrecked on a desert island — without vodka— during his voyage across the Atlantic this week.

THE GAME which he is planning to play at the United Nations meeting is one that has to be countered skillfully by the American government.

The Soviet dictator's speeches undoubtedly will add to the insults he flung at this country during the Paris summit Conference last May. There will have to be forceful responses this time from the American representatives.

As for the restrictions placed on Khrushchev's movements, this step was taken for two reasons.

First, the problem of affording protection to the Soviet dictator and his party might get beyond control as passions rise.

Second, the American government did not invite the Soviet dictator to tour the United States.

It will be recalled that he himself withdrew an invitation previously extended to President Eisenhower to visit Russia.

One reason given for the cancellation was that the political climate in Russia had altered and that the people there were in an antagonistic mood toward the United States. So it works both ways.

If the Soviet dictator thinks that, because the Eisenhower administration is winding up its term, the people here no longer care how many insults are flung at their president, he can be adequately informed of his mistake only by demonstrations of displeasure at his coming such as he will doubtless encounter next week.

Certainly the Hungarian refugees in the United States are not happy to see the Communist puppet who heads the Hungarian government coming here arm-in-arm with the Soviet dictator.

THE COMBINATION awakens bitter memories of the bloodshed of their Hungarian kinsmen — the brutality of tanks riding roughshod over the bodies of men, women and children in Budapest in 1956.

Khrushchev evidently thought that a mobilization at the United Nations of officials of the Communist bloc, including foreign ministers and premiers under his thumb, would impress the American people.

One is surprised to see Nasser of Egypt falling for the Khrushchev line and attaching himself to the group led by the Communist chieftain, but it will be recalled that the Egyptian dictator has been getting vast sums of money from Moscow for the Aswan Dam, and he must show some sense of reciprocity. A visit to the U.N. to please Khrushchev is a cheap price to pay.

This, however, is hardly the "neutralism" which so many of the newborn countries now claim to be their policy.

About all it proves is that the movement against "colonialism" was largely exploited by the Communists as a means of substituting their own brand of colonialism in the Middle East and Southeast Asia and now in Africa.

The attitude of the American people is unmistakably clear. If they had their way, they would prefer that the newspapers did not print a line about Khrushchev's visit or give space to his speeches. But the press, on the other hand, has learned from experience that suppression plays the game of the criminal and that exposure of the guilty is the best policy at all times.

CERTAINLY in the propaganda battle American officials are not to be passive.

There are plenty of charges that can be aired during the Khrushchev visit to the U.N. For one thing, his regime can be charged formally with treason against the U.N. during the last few weeks in the Congo.

Like vise, American speakers can demand that true independence be given to the countries now behind the Iron Curtain.

For or what avail is it that Khrushchev should be crying out for independence for the black men of Africa, when millions of white men, yellow men and brown men in Europe and Asia are being held under the yoke of Communism?

There is lots to be said to Nikita Khrushchev during his coming visit and it is to be hoped that the American government will make some interesting news that will deflate Khrushchev's propaganda campaign.

Russians Make U.S. Dance

By James Marlow

WASHINGTON

Once again the Russians are making the United States dance. Repeatedly this country's actions have been reactions to Communist actions. It happens again.

President Eisenhower has finally decided he'd better try to address the United Nations General Assembly next week before Premier Nikita Khrushchev has a chance.

There was no indication Eisenhower had any intention of going before the U.N. until it was learned Khrushchev and the Communist chiefs of the Iron Curtain countries were coming to the Assembly meeting which opens in New York Sept. 20.

And even then the administration played with the idea of avoiding a direct meeting—even if it meant only being in the same assembly hall together—between Eisenhower and Khrushchev.

At first it seemed the administration had no plans for countering any anti-American propaganda Khrushchev and his satellite friends might turn loose at the United Nations.

Then it was decided that Secretary of State Christian A. Herter should go there and speak before it was Khrushchev's turn. This seemed to be the administration's plan, although Eisenhower had talked vaguely on Sept. 7 of going to the United Nations.

Meanwhile, the State Department slapped restrictions on Khrushchev by saying that, for security reasons, the Russian would not be allowed to leave Manhattan Island when he got here.

The Russians began to denounce this. So did Khrushchev from aboard the ship bringing him here.

Then the administration finally seemed to realize that if Herter spoke first but Eisenhower waited weeks—or until after Khrushchev had departed—before talking to the international group the Russian damage might be complete.

So Wednesday the administration did a switch and said Eisenhower would take Herter's place in addressing the General Assembly next week, probably before Khrushchev speaks.

It was only a year ago that Khrushchev blackjacked the West and Eisenhower into agreeing to a summit meeting by his threats of shutting off West Berlin unless there was a meeting to discuss a settlement of some kind.

There was no doubt that Eisenhower even invited Khrushchev here last September to try to cool him off on Berlin before there was a summit conference.

Eisenhower surely knows that his going to the United Nations is a pretty ticklish journey since no one can guess what Khrushchev might pull off to embarrass him again in the eyes of the world.

Still, Eisenhower could hardly afford, with the whole world watching, to let Khrushchev dominate the U.N. meeting and perhaps denounce the United States from inside America without any effort to punch back.

FBI Head Sends Congratulations

Dinner To Honor Amato, Miller For 'Spunky' Case

The director of the Federal Bureau of Investigation has congratulated Wellsville Patrolman Charles Amato who, along with James Miller of Salineville, will be honored at a testimonial dinner next Wednesday at 6 p. m. in recognition of their capture last month of Spunky Firman.

J. Edgar Hoover, FBI director in Washington, sent his personal congratulations to Amato in a letter, commending the 24-year-old patrolman for "a job well done."

The former Army military policeman shot Firman, 22, in a vacant farmhouse at Sherrodsville last month after the fugitive had eluded Ohio police in a 30-day crime wave.

Chief Deputy Miller from the Columbiana County sheriff's office in Lisbon aided Amato in making the capture and also is due to receive a congratulatory letter.

Firman, who lunged at Amato with a sickle in attempting to avoid capture, has been committed to Lima State Hospital for mental examination. He started his wave of violence after breaking jail at Coshocton in July.

Amato and Miller will be recognized for their part in capturing Spunky at the dinner in the First Methodist Church of Wellsville.

Jack Dudec of Cleveland, national president of the Fraternal Order of Police, is scheduled to be present. Sponsoring the dinner is the FOP and the FOPA in Wellsville, with Bernard Ference as chairman.

Deputy Robert Beresford, FOP president, and Glenn Mathess, FOPA president, are in charge of tickets.

William Daugherty will serve as toastmaster. Music will be provided by Dick Malone's orchestra of East Liverpool and the Baron's Quartet of Steubenville.

Complete arrangements will be announced by Monday, the chairman said. An FBI official is being sought as guest speaker.

Amato is a son of Mr. and Mrs. Fred Amato, 1223 Main St., Wellsville. His letter from the FBI director said:

"Your prompt and courageous action on Aug. 26, 1960, leading to the apprehension of Gordon Roche Firman was in the best tradition of the law enforcement profession.

"I want to express my personal appreciation and that of my associates for your splendid assistance and extend our congratulations on a job well done." It was signed, "Sincerely yours, J. Edgar Hoover."

15 More Voters Sign, Total Goes To 10,499

Fifteen more East Liverpool voters registered Tuesday at the County Election Board office on W. 6th St., pushing to 10,499 the total qualified for the Nov. 8 general election.

New registrations and transfers —changes of address—have produced a steady flow of business in the board's office in the last few days, Frank R. O'Hanlon, clerk, commented today. The changes of address seem to stem principally from families whose homes have been acquired for the right-of-way for a California Hollow-West End Freeway, he added.

The deadline for registration is Sept. 28 at 10 p. m.

of the world were "diplomatic disasters." To counter these, he said the United States must rebuild its military strength.

Striking at Vice President Richard M. Nixon's contention that he is best equipped to deal with belligerent Soviet leaders, Kennedy said: "The Russians understand strength. It is not a question of quarreling with Mr. Khrushchev. It is a question of making ourselves stronger than Russia. Talk is cheap."

Kennedy carried with him out of New York what appeared to be a new solidarity among party leaders who have been quarreling more or less openly over who shall do what in the campaign.

The Democratic nominee got a shot in the arm Wednesday night when former supporters of Adlai E. Stevenson, some of whom had been miffed because their man didn't get the nomination at Los Angeles, plunked down $163,000 in campaign donations at a private dinner at which Stevenson spoke.

Earlier Kennedy had urged a gathering of state Democratic officials to work harder for contributions. He said he didn't want his campaign to break down for lack of funds.

Kennedy got an ovation when he spoke at a dinner meeting of the Liberal party, which had endorsed him and his running mate, Sen. Lyndon B. Johnson of Texas.

In introducing him, Dr. Reinhold Niebuhr, Protestant theologian, told the audience that lay Catholics like Kennedy have "often been the strength of democracy, not only in this country but in Western Europe."

"Our American bigots ought to read a little history," Niebuhr said.

energy, great intelligence and love of country," and he said he believes" Richard Nixon to be the man."

"We must make good on our Declaration of Independence. No single thing we can do abroad would be as great as that which we can do in the field of civil rights," he continued.

"We have much to live up to and not without a struggle within ourselves," he concluded.

Lodge was introduced by Pennsylvania Sen. Hugh Scott who also presented other candidates, including auditor—Gen. Charles Smith, for state treasurer, State Treasurer Robert Kent, for attorney-general and Arthur W. Pettibon for state senator.

Sylvester Greco of Aliquippa, Beaver County Republican chairman, gave the welcome and introduced Dr. Fred Obley of Ellwood City, congressional candidate who will face Democrat Frank M. Clark, incumbent.

Obley introduced Sen. Scott who in turn presented the others including Mrs. Lodge, Mrs. Obley and Mrs. Scott.

After leaving Beaver about 3 p. m., Lodge spoke next in Chicago at 8:30 last night. He left Pittsburgh yesterday at 9:35 a. m. and spoke in Butler, New Castle, Ellwood City and then Beaver.

Among those greeting Lodge were Republican county officials and committee officers, Robert Linn, Beaver burgess, and Nick Mamula, president of an Aliquippa United Steelworkers Union.

Former Lisbon Writer Serves As Lodge Aide

LISBON — A former Lisbon newsman, now in the diplomatic service in Switzerland, is serving as a member of the campaign staff of Henry Cabot Lodge, former U.S. ambassador to the UN who is the Republican nominee for vice president.

He is Chrales McCarry, who began his writing career a few years ago with the Lisbon Journal and later worked for the Youngstown Vindicator.

Atty. and Mrs. Charles Pike, State Rep. and Mrs. Clarence Wetzel and Mrs. Joan Dixon renewed their acquaintances with McCarry while attending the Ohio Republican convention in Columbus Monday.

Mrs. McCarry is the former Nancy Neill of Lisbon. Mr. and Mrs. McCarry and their sons have been residing in Switzerland, where he is in the diplomatic service. They expect to return to Switzerland after the November election.

Mrs. McCarry is scheduled to arrive in Washington on Saturday and then come to Lisbon for an extended visit with her parents, Mr. and Mrs. John Neill of E. Washington St.

brose Louis Fellouzis, 28, of 121 W. 4th St., East Liverpool was indicted for betting and playing a blackjack table at the Cactus Bar. All are scheduled to appear Monday.

Arraignment also was postponed until Monday for James Edward Shephard of Weirton indicted on three felony counts of forgery.

Donald Eugene Saunders, 31, of Wellsburg entered innocent pleas to indictments charging him with attempted murder and malicious assault of Steve Yurka this summer at Waterford Park.

Yurka, a guard at the track, was injured badly when crushed against a fence by an auto driven by Saunders, county deputies said.

Additional indictments not reported yesterday were returned against Blaine Mills, misdemeanor, contributing to the delinquency of a minor, and Mike Voutsikakis, felony, breaking and entering.

Charles Henry Burt of Weirton also was indicted on three felony counts of attempted rape, incest, and statutory rape, and a misdemeanor, contributing to the delinquency of a minor.

Prosecutor Frank A. Pietranton ordered the court to issue a capias order for Donald Beck of Georgetown indicted earlier on charges of criminal assault. Trial of William Seletos, formerly of Newell, was postponed until Dec. 5. He was indicted earlier in a shooting at Waterford Park race track.

Eleven entered innocent pleas to indictments charging them with breaking and entering, including Carl Eugene Jones, David Archie Lethcoe, Jack Louis Rogers, Voutsikakis, Earl Fisher, Robert Mercer, Homer Fisher, Leonard Brown, Riley Jennings and Cora Jones.

James O. Hall entered an innocent plea to a charge of contributing to the delinquency of a minor, George Henry Hopkins, innocent of felonious assault, and Earl Johnson, innocent of forgery.

Air Reduction Firm Denies Moving Report

A spokesman of the Air Reduction Sales Co. of Midland denied today that the company is closing out and moving to Pittsburgh.

He said he has heard of the rumor. The company has a contract with the Midland Works of the Crucible Steel Co., which expires in December 1961, but is not being renewed.

Air Reduction has a 6-inch line and pipes oxygen directly to Crucible.

$5 Fine Results From Caring For Injured Beaver

A Fredericktown man, whose family took in an injured beaver, was given a partially suspended fine by County Judge Earl Spalding at East Palestine Wednesday on a charge of illegally harboring a game animal.

Gabriel VonLudman was cited by Game Protector R. L. Lide of Beloit R. D. for violation of a state law, prohibiting harboring wild animals.

VonLudman told Judge Spalding his son took in the animal after it was almost beaten to death by a bunch of boys swimming in the Fredericktown area, and the youth and his sister nursed it back to health.

He said they planned to release it soon.

Judge Spalding, apparently in sympathy with the Fredericktown resident, suspended all but $5 of the minimum $50 fine for the violation.

Lide said he was obligated to file the charter after the case was reported to him, and said the state law is very clear in prohibiting adopting such animals.

The 1959 Detroit Lions out-gained both the New York Giants and the Baltimore Colts, the division winners, in rushing. But the Lions finished last in passing statistics.

Davidson has the poorest football record in the Southern Conference. The team has won only 32 games and lost 94 in 22 seasons.

West Virginia Board Okays Site For New Tree Nursery

CHARLESTON — The Board of Public Works has approved a site along the Ohio River north of Point Pleasant for a new state tree nursery expected, when completed, to turn out 20 million seedlings annually.

A 1960 legislative re-appropriation of $100,000 for the nursery stipulated that it must be located on property already owned by the state, and on a site approved by the board.

Gov. Underwood asked other members of the board late last week to approve a site of about 116 acres previously recommended by foresters and a legislative committee in the general vicinity of Lakin State Hospital.

He said that land now owned by the Mental Health Department at Lakin, and by the Public Institutions Department at the nearby site of the old reformatory for Negro boys, would be transferred to the Conservation Department.

Approval by the other members of the seven-man board cleared the way for Underwood to direct the land transfer; and for Conservation Director Warden M. Lane to get preliminary work on the nursery under way.

Lane has estimated that completion of the nursery will cost from $750,000 to a million dollars.

The 1959 Legislature originally provided $100,000 for a nursery, but earmarked the appropriation specifically for a site at McClintic Wildlife Station in Mason County. That is south of Lakin, and closer to Point Pleasant.

A difference of opinion arose, however — principally between Lane's office and the State Agriculture Department — regarding the suitability of that location. Lane insisted there was not enough acreage for a nursery.

Agriculture Commissioner John T. Johnson today expressed himself as highly pleased with the new site. He said he earlier had suggested the Lakin land, and had asked the Legislature to re-appropriate the $100,000 this year.

The commissioner has insisted that the nursery should be located in the southern part of the state in order that the planting season can be extended; and on land the state already owns to reduce the over-all cost.

In addition, Johnson said, the nursery project at Lakin now will provide some economic assistance in an area of high unemployment.

GASPORT, N. Y. (AP) — If number of legs has anything to do with speed, 17-year-old Richard Wojtkowski may have the world's fastest chicken.

The farm lad spotted the baby chick behind a hay mound recently and, noting the odd way it was resting, picked it up.

He was surprised to see the chick had four legs.

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I'm 32 and have held semi-executive jobs ever since I was graduated from college. I've had three babies in the last seven years and worked through all three pregnancies. The last baby was almost born in the office.

I'm not complaining, because I felt good all the way through.

Last month I kept to-the-penny records and discovered that after I paid my housekeeper and laundress, added the taxi, lunch and bus fares, payroll deductions and income tax on my salary, I cleared $77.50 for the month. This does not include money spent on clothes which I wouldn't need if I stayed home.

I told my husband I want to quit work. He grew panicky and said, "We can't make it on one pay check. You'll have to stay with it."

I want to quit. What do you say?—PLAIN PRACTICAL.

-:-

Dear Practical: I say quit. Most families manage on one check and yours can, too.

Your children need you more than you need the $77.50 a month. Your husband is unfair to insist that you stay in the harness after you've told him you prefer to stay home.

If you don't get out now, when it makes sense, you'll be totin' that bar and liftin' that bale for the rest of your life.

Rekindling Old Flame

Dear Ann: I am a charter member of the "I-Wish-I-Had-It-To-Do-Over-Again" Club. I started to date a terrific girl about a year ago. We are both in our early 20s and should have known better than to see each other every night for months.

Well, the inevitable happened. Pretty soon the big attraction was sex and we hardly talked or went any place interesting. You know the old story.

We broke up after three months. I've dated many girls since and she's gone out with different fellows.

Now I've begun to think of her again and I want to date her, but this time on the straight and narrow. Is it possible for a couple to behave themselves after they've had a sizzling love affair?—STEVE

-:-

Dear Steve: It's possible, but unlikely. To revive a once-intimate relationship on a restrained basis takes a strong will and a stronger won't. You also need cooperation from the girl.

Talk it over with her and make it plain you'd like to start dating her again — this time within moral limits.

Taught By Experience

Dear Ann: I'd like to say a few words to the girl who is considering marrying "a nice young American-born man whose grammar and pronunciation are embarrassing."

Many years ago I thought if I corrected my sweetheart tactfully he'd improve. Before our marriage he sat silent when I corrected him. After marriage he let loose with language that is unprintable.

When the children were young they asked him why he said "munt" for month and "wit ya" for "with you." They got the same response I did — a string of profanity.

Now the grandchildren are asking the same questions.

You have often said in your column, Ann: "Marriage is not a reform school." I'd like to add. . . "nor is it a postgraduate course in English."

If the fellow doesn't speak correctly by the time he's out of school — he never willl. —NO TEACHER.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Bandit Grabs $8-10,000 In Bank Holdup

CLEVELAND (AP) — A man brandishing a .45 caliber automatic robbed a branch of the Central National Bank of $8,000 to $10,000 Wednesday.

Police said that although only one man was seen in the bank and driving away in a car, a woman may also have been involved in the holdup. Officers were told an attractive young woman was seen walking away from the getaway car, which was found abandoned near E. 79th Street and Superior Avenue. The car had been stolen earlier from a parking lot.

The holdup man, a nylon stocking over his face, came in a rear door of the bank at 6422 St. Clair Ave., walked toward the tellers' windows and shouted:

"This is a holdup. If you don't move you won't get hurt."

One teller, Thomas Bracken, 25, ducked under the counter and pressed the silent alarm, which connects directly with police headquarters.

Another teller, Gerald Bakota, 22, said the gunman "jumped up on the ledge, pointed the gun at me and then asked for the money."

Bakota and Mrs. Rosemary Svete, 29, filled paper bags with money for the holdup man, who fled out the rear door.

Raymond F. Breskvar, manager of the branch, which is known as the North American Branch of Central National, got the license number of the getaway car.

Detectives said the description of the woman seen leaving the car was so different from that of the man they don't believe it could be a case of the bank robber impersonating a woman.

In 10 Southern Conference football seasons West Virginia has won 33 games and lost 9. The Mountaineers have never played a conference tie.

13 Games Scheduled On District Gridirons This Weekend

Hancock County Rivals To Meet; Wellsville Plays Saturday

Three more district teams will open the 1960 campaign Friday night when the second weekend of high school football features eight games.

East Palestine, Leetonia and Columbiana will throw their hats into the ring for the first time Friday.

The Bulldogs, defending Tri-County League champs, play a non-loop battle at Beaver, Pa., while Leetonia hits the toughest part of its schedule right off the bat at Salem. Columbiana travels to McDonald.

Youngstown South invades Patterson Field for its annual battle with the Potters. The Warriors, scoring on the opening kickoff in the first game last season, nipped East Liverpool, 14-12.

Either Newell or New Cumberland will get into the victory column for the first time this season when the two meet Friday at New Cumberland.

Coach John Kuzio's Raiders took a 33-6 licking at the hands of Northwestern in their opener, while Newell dropped a 27-13 decision to Follansbee St. Anthony. Kickoff at New Cumberland will be 8 p. m.

The Lisbon Blue Devils will attempt to bounce back against Cardinal Mooney High of Youngstown. The game is scheduled for the Lisbon field.

Coach Bud Bucher and his charges suffered a 40-14 setback at the hands of the improved Wellsville Tigers last Friday. Bucher is still looking for his 100th victory.

Stanton Local is in its home opener Friday night. The Irons will entertain Mt. Pleasant.

South Side plays at Hookstown for the first time this season, meeting Avella Friday night. The kickoff is set for 8.

Saturday will be another big day for football on the local scene.

The headliner, which looms as a big test for Wellsville, finds the Tigers invading Pennsylvania for a battle with Freedom.

The Freedom eleven, big in size and numbers, was the pre-season pick as the team to beat in the Beaver Valley this season.

Last Saturday Freedom opened with a 7-0 victory over Monaca and Coach Ken Woods was very impressed with the Pennsylvania squad.

Chester and Beaver Local, both first-round winners in last week's contests, meet Saturday at 2 p. m. on the Beaver Local gridiron.

Coach Dom Amedeo's Panthers registered a 27-12 victory over South Side and Beaver Local defeated Springfield Local, 30-12.

Salineville shoots for its second straight under its new coach Al Girone in playing host to Tuscarawas.

The Rebels of Fairfield - Waterford, fresh from clawing Mineral Ridge, 62-26, will be seen in their home opener against Greenford.

Fairfield has a score to settle with Greenford, suffering a 42-6 defeat in 1959.

United goes after its first victory, playing at home again with Randolph the opposition. The Golden Eagles failed in their opener with Goshen Union last week, losing 28-6.

Freedom Tickets Sold At Gate On Saturday

Adult tickets for the Wellsville-Freedom game set Saturday night at Freedom will be on sale at the gate. Tickets are $1 and are all general admission. Kickoff is at 8 p. m.

Here's District Grid Schedule This Week

South Flashes Speedy Backs

Venditti Plans Change At Left Halfback

A change at left halfback was indicated by Coach Lou Venditti today as his Potters waited the arrival of Youngstown South for Friday night's contest at Patterson Field. Kickoff is set for 7:45.

"Either Allen Douglas, a junior, or Craig O'Neil, the second-string quarterback, will start at the halfback spot, Venditti said.

Gene Wolfe, an inexperienced junior, opened the Massillon game at left halfback, but the Potter coach is looking for more speed and thus will try Douglas or O'Neil.

Venditti said earlier the one thing that will hurt us this season is speed." And that is just what Youngstown South will count on.

The Warriors nipped East Liverpool 13-12 in the 1959 opener when they scored on the opening kickoff.

Coach Sonny Friend, in his first year at the South helm, has built the attack around two speed merchants in veteran Jay Cunningham, the left halfback, and Sanford Rivers.

Cunningham scored one of the two touchdowns against the Potters here last year. He is a 160-pound senior.

Rivers, who runs just a step behind Cunninghom in sprints, according to his coach, will be at right half. He is a 150-pound junior and played end last season. But because of his speed, Friend has shifted him to the backfield.

The South High mentor isn't sure who he will start at quarterback. The job is between Jimmy Jones, a 150-pound junior, who never played varsity football before, or Gary Williams, another junior, at 135 pounds, who saw enough action to win a letter last season.

At fullback is a newcomer in Ken Booker, a 170-pound senior, who did not win a letter in 1959.

Five members of the front line were regulars last season, led by a tough left guard in Ken Crawford, 170 pounds of dynamite on defense.

Crawford, as a junior, was named to the All-City team in Youngstown. He will play left guard offensively for the Warriors.

The other guard spot is uncertain, but Friend has two 185-pound lettermen available. They are Jack Esposito and Paul Ferguson.

The ends will be a pair of regulars — Phil Hadley, 180, and Jim Washington, 160. Neither boy goes over the 6-foot mark.

Mike Dorfi, 175-pound senior letterman, has won the call at center.

Friday's game will mark the opener for South. The Warriors won 14-0 over Youngstown Chaney in a preview last Friday.

It was the one-two scoring combination of Cunningham and Rivers which produced the 14 points, with Cunningham running for one TD and Rivers the other.

"We have good team speed, but even though there are eight lettermen in the starting lineup we still lack overall experience," Friend said.

Friend replaced John McAfee, who resigned following the 1959 season.

Athletics Nip 'Cousins' On Homer; Orioles Win, Trail Yanks By .001

The New York Yankees and the Baltimore Orioles are in a virtual tie for the American League lead today as they take a breather before Friday night's opener of a four-game showdown at Yankee Stadium.

And all because the Yankees' kissin' cousins, the last place Kansas City Athletics, bussed 'em right on the kisser.

The A's, after winning only five of 20 decisions with New York, swept the final two games of the season series with a 2-1, ninth-inning shocker Wednesday night on a tie-breaking home run by ex-Yank Andy Carey.

That shaved the Yankees' lead to one percentage point over the Orioles, who beat Detroit 11-10 in an afternoon game. Chicago's third place White Sox remained two games behind with a 6-1 setback by Washington that ended their winning streak at six.

Cleveland whipped Boston 11-7 in the other AL night game.

In the National League, first place Pittsburgh also lost its second in a row, 5-2 to Los Angeles. But that still left the Pirates with a 5½ game bulge over the St. Louis Cardinals, who defeated Cincinnati 6-4, and 6½ over the third place Milwaukee Braves, who walloped Chicago's Cubs 10-2. Philadelphia defeated San Francisco 5-1.

Carey's 12th home run led off the ninth for the A's and beat Art Ditmar (14-9).

Ray Herbert (11-15) was the winner.

The Orioles blew 5-0 and 8-6 leads at Detroit, then nailed it with three runs in the ninth—on Brooks Robinson's two-run two-out triple, Ron Hansen's wrapup single and Steve Barber's neat relief. Chuck Estrada (17-9), the Orioles' top winner, was the fifth of eight pitchers used by Manager Paul Richards. The two-team total of 12 pitchers tied an AL record. Hank Aguirre (4-3) was the loser.

The White Sox were beaten by ex-teammate Earl Battey, who walloped a two-run homer in the second inning off loser Herb Score (4-10).

A seven-run third inning triggered by a leadoff homer by Mike de la Hoz and capped by Vic Power's three-run homer, bagged it for the Indians. Barry Latman (6-16) was the loser.

Dodgers Cut Bucs' Lead, 13 Pirates Fan; Cards Win

By ED WILKS
Associated Press Sports Writer

Those world champion Los Angeles Dodgers may be lost, but they're not forgotten—not when they keep bobbing up to harass the leaders in what still could become a race for the National League pennant.

After taking two of three from third-place Milwaukee last weekend, the Dodgers tagged the first-place Pittsburgh with a second straight loss, 5-2, Wednesday night trimming the Pirates' lead to 5½ games by beating Vern Law for the first time this season.

The second-place St. Louis Cardinals gained on the Bucs with their eighth victory in 10 games, beating Cincinnati 6-4. The Braves walloped the Chicago Cubs 10-2 and now trail by 6½ games.

Philadelphia whipped the San Francisco Giants 5-1.

In the American League, Baltimore defeated Detroit 11-10 and climbed within one percentage point of the first place New York Yankees, who lost 2-1 at Kansas City. Chicago's third-place White Sox still trail by two after a 6-1 loss to Washington. Cleveland beat Boston 11-7.

The fourth-place Dodgers, nine games behind and all but officially out of the race, handed Law his third straight defeat in a bid for his 20th victory. Wally Moon drove in three runs, bringing in the clincher with a two-run double in the fifth, against the Pirates' right-handed ace, who had a 5-0 record over Los Angeles.

Stan Williams (14-8) was the winner, checking the Pirates on sevn hits and fanning 13 as Pittsburgh set a NL record with 26 strikeouts in two games.

Daryl Spencer socked a two-run homer in the eighth inning that iced it for St. Louis. Rookie Bob Miller (3-1) was the winner, Jay Hook (10-17) was the loser.

Ed Mathews hit his 37th home run in a two-run first inning for Milwaukee, and Hank Aaron then hit a three-run triple as the Braves scored four in the second against loser Don Cardwell (7-14). Winner Joey Jay (8-7) gained his second complete game of the year with a six-hit performance.

Robin Roberts (10-15) beat the Giants by allowing only five singles. He retired 19 in a row and had a three-hit shutout with one out in the ninth. Billy O'Dell (7-12) was the loser.

Nicklaus Upset By Lewis In National Amateur Play

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

ST. LOUIS, Mo. (AP) — Four brash teenagers, with Chuck Lewis, scion of an old English golfing family, the ringleader, today try to keep the accent on youth in the National Amateur.

Joining Lewis, conqueror of defending champion Jack Nicklaus in Wednesday's fourth round, are: Phil Brownlee, Ontario, Canada, junior champion; Steve Spray of Indianola, Iowa, 1959 western junior titlist, and Harry Root of Tampa, Fla., sophomore member of the University of Florida golf team. All are 19 years old.

The match-play marathon over the hilly, timbered 6,616-yard St. Louis Country Club course, has fifth and sixth round action today. This will trim the field to the four semifinalists who will joust over the 36-hole route Friday. The winners meet in a double round Saturday for the prestige-packed championship of the 60th tournament.

Charles Francis Lewis III, whose grandfather was a golf pro 51 years in Devonshire, England, and various cities in the United States, beat Nicklaus 5 and 3. His father is pro at the Little Rock, Ark., Country Club.

Just before going out against Lewis, Nicklaus had been a tiger-like killer in mauling Marine Phil Rodgers of La Jolla, Calif., 6 and 5.

Lewis' fifth round opponent will be Carl Lohren of Norbeck, Md., 22, current Mid-Atlantic champion making his fourth try in the National.

Brownlee takes on John Guenther of Hershey, the 1950 Pennsylvania open titlist.

Root squares off against Bob Gardner of New York, who won the California Amateur crown in 1947 and 1950 and the New York Metropolitan in 1948 and 1949.

Thornton Returns To Old Form At Wildcats' Drill

By JACK CLARY
Associated Press Sports Writer

Any moves that Northwestern makes at a Big Ten title this year will be a little more than threatening now that quarterback Dick Thornton is back on the job.

Thornton, the pride and joy of Wildcat Coach Ara Parseghian, was mainly responsible for leading Northwestern out of the Big Ten dungeon as a sophomore in 1958 and had started them in the right direction last year before breaking an ankle in the second game.

But the plucky Thornton received a reprieve. The governing body of the Big Ten announced that he would not be charged with a year of eligibility even though he played in the 'Cats 45-13 romp over Oklahoma, and had started the second game before being injured.

This meant that Thornton would help compensate for the loss of halfback Ron Burton. He was part of a two-fold blessing for the Cats, who welcomed back halfback El Kimbrough, also out in 1959 with injuries.

Wednesday, Thornton showed he'll be as good as always when the Wildcats open their season against Oklahoma a week from Saturday.

He tossed for two touchdowns in an intra-squad game, hitting Kimbrough with a 60-yard toss and throwing 50 to Paul Yanke. In addition, his passing set up two more scores.

Thornton may just put the "thorn" in the hopes of other Big Ten title aspirants, and wind up among the roses in Pasadena on New Year's Day.

Track Coach Warns Build Now For '64

LONDON (AP) —The assistant coach of the U.S. track and field team warned today that America must begin building immediately for the 1964 games or face decline to a second-rate athletic power.

"There's no time to waste," said Lloyd (Bud) Winter of San Jose State (Calif.) College. "The Rome Olympics showed us that the whole world is on the move athletically. If we are to hold our position, we must tackle our job more aggressively than ever before."

Winter, who specialized in training the sprinters under head Coach Larry Snyder, suggested a four-point blueprint for success in 1964:

1. Stage a nation-wide talent hunt, probably under the auspices of the U.S. Olympic Development Committee.

2. Hold summer camps for the most promising athletes so that they could receive the best possible instruction from top coaches.

3. In meets in the United States, put more emphasis on events on the Olympic program.

4. Give American athletes more international competition.

The longest hole-in-one of record this year was the 348-yarder made by Pasquale Biscardi at the Mount View course in Bolton, Mass.

13 Games Scheduled On District Gridirons This Weekend

Hancock County Rivals To Meet; Wellsville Plays Saturday

Three more district teams will open the 1960 campaign Friday night when the second weekend of high school football features eight games.

East Palestine, Leetonia and Columbiana will throw their hats into the ring for the first time Friday.

Freedom Tickets Sold At Gate On Saturday

Adult tickets for the Wellsville-Freedom game set Saturday night at Freedom will be on sale at the gate. Tickets are $1 and are all general admission. Kickoff is at 8 p. m.

The Bulldogs, defending Tri-County League champs, play a non-loop battle at Beaver, Pa., while Leetonia hits the toughest part of its schedule right off the bat at Salem. Columbiana travels to McDonald.

Youngstown South invades Patterson Field for its annual battle with the Potters. The Warriors, scoring on the opening kickoff in the first game last season, nipped East Liverpool, 14-12.

Either Newell or New Cumberland will get into the victory column for the first time this season when the two meet Friday at New Cumberland.

Coach John Kuzio's Raiders took a 33-6 licking at the hands of Northwestern in their opener, while Newell dropped a 27-13 decision to Follansbee St. Anthony. Kickoff at New Cumberland will be 8 p. m.

The Lisbon Blue Devils will attempt to bounce back against Cardinal Mooney High of Youngstown. The game is scheduled for the Lisbon field.

Coach Bud Bucher and his charges suffered a 40-14 setback at the hands of the improved Wellsville Tigers last Friday. Bucher is still looking for his 100th victory.

Stanton Local is in its home opener Friday night. The Irons will entertain Mt. Pleasant.

South Side plays at Hookstown for the first time this season, meeting Avella Friday night. The kickoff is set for 8.

Saturday will be another big day for football on the local scene.

The headliner, which looms as a big test for Wellsville, finds the Tigers invading Pennsylvania for a battle with Freedom.

The Freedom eleven, big in size and numbers, was the pre-season pick as the team to beat in the Beaver Valley this season.

Last Saturday Freedom opened with a 7-0 victory over Monaca and Coach Ken Woods was very impressed with the Pennsylvania squad.

Chester and Beaver Local, both first-round winners in last week's contests, meet Saturday at 2 p. m. on the Beaver Local gridiron.

Coach Dom Amedeo's Panthers registered a 27-12 victory over South Side and Beaver Local defeated Springfield Local, 30-12.

Salineville shoots for its second straight under its new coach Al Girone in playing host to Tuscarawas.

The Rebels of Fairfield - Waterford, fresh from clawing Mineral Ridge, 62-26, will be seen in their home opener against Greenford.

Fairfield has a score to settle with Greenford, suffering a 42-6 defeat in 1959.

United goes after its first victory, playing at home again with Randolph the opposition. The Golden Eagles failed in their opener with Goshen Union last week, losing 38-6.

Here's District Grid Schedule This Week

South Flashes Speedy Backs

Venditti Plans Change At Left Halfback

A change at left halfback was indicated by Coach Lou Venditti today as his Potters waited the arrival of Youngstown South for Friday night's contest at Patterson Field. Kickoff is set for 7:45.

"Either Allen Douglas, a junior, or Craig O'Neil, the second-string quarterback, will start at the halfback spot, Venditti said.

Gene Wolfe, an inexperienced junior, opened the Massillon game at left halfback, but the Potter coach is looking for more speed and thus will try Douglas or O'Neil.

Venditti said earlier the one thing that will hurt us this season is speed." And that is just what Youngstown South will count on.

The Warriors nipped East Liverpool 13-12 in the 1959 opener when they scored on the opening kickoff.

Coach Sonny Friend, in his first year at the South helm, has built the attack around two speed merchants in veteran Jay Cunningham, the left halfback, and Sanford Rivers.

Cunningham scored one of the two touchdowns against the Potters here last year. He is a 160-pound senior.

Rivers, who runs just a step behind Cunninghom in sprints, according to his coach, will be at right half. He is a 150-pound junior and played end last season. But because of his speed, Friend has shifted him to the backfield.

The South High mentor isn't sure who he will start at quarterback. The job is between Jimmy Jones, a 150-pound junior, who never played varsity football before, or Gary Williams, another junior, at 135 pounds, who saw enough action to win a letter last season.

At fullback is a newcomer in Ken Booker, a 170-pound senior, who did not win a letter in 1959.

Five members of the front line were regulars last season, led by a tough left guard in Ken Crawford, 170 pounds of dynamite on defense.

Crawford, as a junior, was named to the All-City team in Youngstown. He will play left guard offensively for the Warriors.

The other guard spot is uncertain, but Friend has two 185-pound lettermen available. They are Jack Esposito and Paul Ferguson.

The ends will be a pair of regulars — Phil Hadley, 180, and Jim Washington, 160. Neither boy goes over the 6-foot mark.

Mike Dorfi, 175-pound senior letterman, has won the call at center.

Friday's game will mark the opener for South. The Warriors won 14-0 over Youngstown Chaney in a preview last Friday.

It was the one-two scoring combination of Cunningham and Rivers which produced the 14 points, with Cunningham running for one TD and Rivers the other.

"We have good team speed, but even though there are eight lettermen in the starting lineup we still lack overall experience," Friend said.

Friend replaced John McAfee, who resigned following the 1959 season.

Dodgers Cut Bucs' Lead, 13 Pirates Fan; Cards Win

By ED WILKS
Associated Press Sports Writer

Those world champion Los Angeles Dodgers may be lost, but they're not forgotten—not when they keep bobbing up to harass the leaders in what still could become a race for the National League pennant.

After taking two of three from third-place Milwaukee last weekend, the Dodgers tagged the first-place Pittsburgh with a second straight loss, 5-2, Wednesday night trimming the Pirates' lead to 5½ games by beating Vern Law for the first time this season.

The second-place St. Louis Cardinals gained on the Bucs with their eighth victory in 10 games, beating Cincinnati 6-4. The Braves walloped the Chicago Cubs 10-2 and now trail by 6½ games.

Philadelphia whipped the San Francisco Giants 5-1.

In the American League, Baltimore defeated Detroit 11-10 and climbed within one percentage point of the first place New York Yankees, who lost 2-1 at Kansas City. Chicago's third-place White Sox still trail by two after a 6-1 loss to Washington. Cleveland beat Boston 11-7.

The fourth-place Dodgers, nine games behind and all but officially out of the race, handed Law his third straight defeat in a bid for his 20th victory. Wally Moon drove in three runs, bringing in the clincher with a two-run double in the fifth, against the Pirates' right-handed ace, who had a 5-0 record over Los Angeles.

Stan Williams (14-8) was the winner, checking the Pirates on sevn hits and fanning 13 as Pittsburgh set a NL record with 26 strikeouts in two games.

Daryl Spencer socked a two-run homer in the eighth inning that iced it for St. Louis. Rookie Bob Miller (3-1) was the winner. Jay Hook (10-17) was the loser.

Ed Mathews hit his 37th home run in a two-run first inning for Milwaukee, and Hank Aaron then hit a three-run triple as the Braves scored four in the second against loser Don Cardwell (7-14). Winner Joey Jay (8-7) gained his second complete game of the year with a six-hit performance.

Robin Roberts (10-15) beat the Giants by allowing only five singles. He retired 19 in a row and had a three-hit shutout with one out in the ninth. Billy O'Dell (7-12) was the loser.

Indians Stage Big Inning To Defeat Boston

CLEVELAND (AP) — The rest is with the West for Cleveland's Indians.

The Indians had their biggest inning of the season Wednesday night in their final joust with an eastern foe, getting seven runs in the third inning of an 11-7 victory over Boston. The Red Sox lost 14 of 22 with Cleveland.

Kansas City's last-place Athletics, who just swept a two-game series from league-leadng New York, come here for a four-game series opening Friday night. All American League clubs are idle today.

Although Wednesday night's victory evened the Indians record at 70 games won and 70 lost, they still trail Washington by a half game in the battle for the last rung of the first division.

Barry Latman got his fifth triumph in a row, but yielded six of the seven Red Sox runs in the five innings he worked. Frank Funk hurled the last four and allowed one run—the first in 14 innings the rookie has pitched.

Three rookies sparked a 13-hit Cleveland attack by getting a pair of safe blows each and driving in a total of four runs. Third baseman Mike de la Hoz opened the big third inning with a home run off reliever Jerry Casale, and also had a single and sacrifice fly. Walter Bond singled twice and walked twice.

And outfielder Ty Cline, who left Clemson College to play his first professional baseball in June, singled his first time up as a major leaguer and on his next trip belted a triple to drive in one of the seven third-inning scores.

Tito Francona homered in the first inning when loser Frank Sullivan gave up three runs.

Vic Wertz's 19th home run after a single and a throwing error by De la Hoz netted a trio of Red Sox runs in the fifth. Lu Clinton, who doubled home two runs in the fourth, singled the last Boston run across in the eighth.

Ted Williams, in what may have been his last time at bat in the Stadium, took a called third strike in the third inning. He flied out his first time up, and in the fourth inning was replaced in left field by Rip Repulski.

The 3,763 gate pushed home attendance to 898,655. With eight playing dates left here, including a weekend series with the pennant - contending Chicago White Sox Sept. 23-24-25, a total 1960 home attendance of about 950,000 is indicated.

Tackles And Guards Loom Big Problem For Spartans

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

EAST LANSING, Mich. (AP)—"We never get out the crying towel at Michigan State and sometimes I get carried away with my enthusiasm."

That's Coach Duffy Daugherty talking as he looks over his 1960 football prospects.

"I can get elated just by seeing something good happen out there in practices," adds the most optimistic mentor in the conference. "We'll be better than last year—and if that's not optimism, I would like to know what is."

The Spartans finished second with a 4-2 record last fall and leading Duffy's gladiators into the Big Ten arenas this season are 19 lettermen and an exceptional gang of sophomores.

"We've the greatest bunch of newcomers I have seen since I've been here," enthuses Daugherty.

"Our main problems are building an interior line, where we have only five lettermen available from tackle to tackle in our two platoons, and in developing a quarterback to take Dean Look's place.

"We have good backfield depth and plenty of talent at ends. But the heart of any football team are the tackles and guards."

Senior Tom Wilson, an accurate passer and capable runner, is the current No. 1 quarterback. Battling him for the starting job in the opener at Pittsburgh Sept. 24 is junior Leroy Loudermilk.

The halfback chores are in the excellent hands of senior Herb Adderley and junior Gary Ballman. They could be one of the best combinations in the country—blending power with speed, fine pass-catching ability and defensive steadiness.

Juniors are at the controls at fullback—Carl Charon, 180-pound slasher and good pass receiver, and Ron Hatcher, 206 - pound bruiser.

Sophomore guards on the No. 1 unit are Howard Mudd, 225, and George Azar, 200. Three lettermen back them up.

Lettermen Pete Kakela and Mickey Walker, plus three sophs, are at tackle.

At center are Dave Behrman, 275-pound yearling, and junior Dave Manders, 218.

Heading the stampede at end end posts are Wayne Fontest, a speedy, stubby junior from Canton, Ohio, who starred in the spring game; senior Fred Arbanas, who is averaging 18.6 yards a catch, and junior Art Brandstatter, versatile all-round player and fine placekicker.

With Indians's games not counting this season in the standings, Michigan State has only five conference engagements—fewer than any of its rivals. Also significant is that the Spartans play two powerful contenders, Iowa, and Ohio State, at home and do not meet Illinois, another prime favorite.

Stan To Play Again In '61

ST. LOUIS (AP)—Stan Musial said today he will play again next season for the St. Louis Cardinals, ending speculation he would retire at the close of the current campaign.

The 39-year-old slugger, probably the top National League player of all time, announced his plans at a press conference at Busch Stadium.

Stan the Man told the gathering he had decided to play in 1961 "because I enjoy it."

"Baseball has been my business and pleasure too long for me not to play," he said.

Musial said he is confident he can help the Redbirds next year.

Musial, who has won 7 National League batting titles and 3 Most Valuable Player awards in 18 full seasons with the Cardinals, is hitting .282.

Pirates, Brewery Settle Ad Issue Out Of Court

PITTSBURGH (AP) — The owners of the Pittsburgh Pirates and the Duquesne Brewing Co. have settled a beer advertising issue out of court.

The Pittsburgh Athletic Co. earlier this week filed a suit against the brewery for using a beer bottle label containing the word "BUC-caneer and the picture of a baseball player.

As of 5 p. m. Friday, the club said Wednesday, the brewery will stop using the controversial label.

Hank, Smith Fight To Draw

CHICAGO (AP) — Hammering Henry Hank, Detroit slugger who has been angling for a crack at the middleweight crown, had a new ambition today — a rematch with hitherto unknown Jesse Smith of Chicago.

Smith, unranked among the middleweights, mixed a blistering attack with skillful defense Wednesday night and held Hank to a draw in a 10-round nationally televised bout at the Chicago Stadium.

Smith, unawed by Hank's impressive knockout record, would have scored a big upset if he hadn't been tagged with a whistling left uppercut midway in the final round that dropped him for the nine count.

He struggled to his feet, and stuck out his tongue at Hank in a show of heroics, but a chopping overhand right had him sliding along the ropes when the final bell sounded.

Smith slipped most of Hank's heavy artillery and countered effectively, until he was tagged in the tenth. He had Hank in trouble momentarily in the third with a left-right combination and again in the sixth round, after successfully absorbing some stiff shots from the Detroit belter.

Referee Frank Sikora had Hank ahead 46-44 under the 5 points-a-round must system, while Judge Frank McAdams awarded the bout to Smith, 47-45. Judge William Doty marked both fighters even, 46-46. The Associated Press had Smith ahead 47-45.

Yesterday's Stars

Hitting —Daryl Spencer, Cards, was 2-for-3 and drove in three runs in 6-4 victory over Reds, that was decided on his two-run homer in the eighth.

Pitching — Ray Herbert, A's, shut out Yankees on five hits over last six innings for 2-1 victory.

New Strikeout Mark Set By Bucs' Batters

By MURRAY CHASS

PITTSBURGH (AP)—Stan Williams struck out 13 Pittsburgh batters Wednesday night and help set a new strikeout record. But he complained his control was off.

"I just didn't have my control," said the Los Angeles righthander after beating Pittsburgh 5-2. "I wasn't getting them in there where I wanted, and that may have had something to do with it.

"When the batters see a pitcher who normally has pretty good control acting a bit wild out there, they just can't loosen up like they want to.

"Some of those pitches weren't where the batters thought they were going to be. They couldn't hit them."

Dodger Manager Walter Alston agreed.

The strikeouts combined with Mike McCormick's 13 strikeouts against the Pirates Tuesday night for San Francisco, gave Pittsburgh 26 in two games, a new National League mark.

The old mark was set in 1933 when St. Louis pitchers struck out 24 Chicago batters in two straight games. The major league mark is 28.

Pirate Manager Danny Murtaugh commented: "Williams was just pitching real good ball out there. "Our trouble is we're just not scoring any runs. You can't win without them. We'd better get some tomorrow."

County Sports Group Sets Shoot

The Columbiana County Fish and Game Association will stage a prize and ham shoot Sunday Sept. 25 at 1 p. m. at the club's range located southeast of Elkton just off Route 7.

Trap shooting and stationary targets will be featured.

During the last meeting Glen Ramsey was elected president, Lantford Blevins, vice president, Jim Johnson, secretary and Joe Robbins, treasurer. Two new trustees named were Paul Sailing and Harold Walton. All officers are from East Liverpool.

Bill DeWitt, president of the Detroit Tigers, started in baseball in 1916 as office boy for Branch Rickey with the St. Louis Browns.

Ohio State Will Pass More, Buck Coach Says

By FRITZ HOWELL
Associated Press Sports Writer

COLUMBUS, Ohio (AP)—Coach Woody Hayes says his Ohio State football team will pass more than usual this fall, but that he still believes "a ball under the arm is worth two in the air."

The Buckeye chieftan, addressing Sigma Delta Chi journalistic fraternity members Wednesday night, said he figures to have a smaller but faster team this year—and he's especially high on his defensive corps.

He said the passing game would be enhanced because "we have better receivers than we've had in years—and quarterback Tom Matte is a much better thrower than most folks realize."

Hayes disclosed that Buckeye placekicking will be poorer than usual, and the punting nothing sensational.

"Those long punters, unless they can keep the ball high enough to allow your defenders to get down under them, aren't much use anyway," Hayes said. "We had the best defense in the Big Ten against runbacks last year, and with short punters we should do all right again."

Switching to the grant-in-aid program under which needy and qualified athletes are helped through school, Hayes said:

"Some of our boys are getting nothing, and some as low as $100. But then every student in the university gets around $1,200 or $1,400 free, for that's what it costs the state for each one every year.

"I've heard some people say the athletes should get more because they bring in a lot of money. Since I came to Ohio State in 1951 our football receipts have been about 16 million dollars.

"I figured out that if we divided it up between our first two teams each year, each boy would get about $75,000—making them the highest priced athletes in the country."

Hayes said Matte and fullback Bob Ferguson could be great this year. With them in the backfield are sophomores Ed Ulmer and Bob Klein, both light but lightning fast. Bill Wentz of Canton will support the newcomers at each half.

The offensive line shapes up with Bob Middleton of Marion, Chuck Bryant of Zanesville and Paul Martin of Canton as the top ends; Jim Tyrer of Newark and Bob Vogel of Massilon at tackle; Gabe Hartment of Troy, Oscar Hauer of Hamilton and Don Young of Dayton the leading guards, and little Billy Joe Armstrong of Huron, a sophomore, at center.

Mike Ingram, the fireplug from Bellaire, will be the all-around guy even under the platoon system which Hayes will employ. He's a defensive linebacker and offensive guard, and Hayes said he'd probably be on the field more than any other player.

The Bucks dropped down to a single practice Wednesday, after morning and afternoon sessions earlier. The lone workout was a dilly, however, lasting three hours and 15 minutes. Halfbacks Klein and Ulmer suffered minor injuries, but Hayes said they'd be in top shape for the opener with Southern Methodist, Sept. 24.

Vic Wertz's 19th home run after a single and a throwing error by De la Hoz netted a trio of Red Sox runs in the fifth. Lu Clinton, who doubled home two runs in the fourth, singled the last Boston run across in the eighth.

Ted Williams, in what may have been his last time at bat in the Stadium, took a called third strike in the third inning. He flied out his first time up, and in the fourth inning was replaced in left field by Rip Repulski.

The 3,763 gate pushed home attendance to 898,655. With eight playing dates left here, including a weekend series with the pennant - contending Chicago White Sox Sept. 23-24-25, a total 1960 home attendance of about 950,000 is indicated.

Tackles And Guards Loom Big Problem For Spartans

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

EAST LANSING, Mich. (AP)—"We never get out the crying towel at Michigan State and sometimes I get carried away with my enthusiasm."

That's Coach Duffy Daugherty talking as he looks over his 1960 football prospects.

"I can get elated just by seeing something good happen out there in practices," adds the most optimistic mentor in the conference. "We'll be better than last year—and if that's not optimism, I would like to know what is."

The Spartans finished second with a 4-2 record last fall and leading Duffy's gladiators into the Big Ten arenas this season are 19 lettermen and an exceptional gang of sophomores.

"We've the greatest bunch of newcomers I have seen since I've been here," enthuses Daugherty.

"Our main problems are building an interior line, where we have only five lettermen available from tackle to tackle in our two platoons, and in developing a quarterback to take Dean Look's place.

"We have good backfield depth and plenty of talent at ends. But the heart of any football team are the tackles and guards."

Senior Tom Wilson, an accurate passer and capable runner, is the current No. 1 quarterback. Battling him for the starting job in the opener at Pittsburgh Sept. 24 is junior Leroy Loudermilk.

The halfback chores are in the excellent hands of senior Herb Adderley and junior Gary Ballman. They could be one of the best combinations in the country—blending power with speed, fine pass-catching ability and defensive steadiness.

Juniors are at the controls at fullback—Carl Charon, 180-pound slasher and good pass receiver, and Ron Hatcher, 206 - pound bruiser.

Sophomore guards on the No. 1 unit are Howard Mudd, 225, and George Azar, 200. Three lettermen back them up.

Lettermen Pete Kakela and Mickey Walker, plus three sophs, are at tackle.

At center are Dave Behrman, 275-pound yearling, and junior Dave Manders, 218.

Heading the stampede at end end posts are Wayne Fontest, a speedy, stubby junior from Canton, Ohio, who starred in the spring game; senior Fred Arbanas, who is averaging 18.6 yards a catch, and junior Art Brandstatter, versatile all-round player and fine placekicker.

With Indians's games not counting this season in the standings, Michigan State has only five conference engagements—fewer than any of its rivals. Also significant is that the Spartans play two powerful contenders, Iowa, and Ohio State, at home and do not meet Illinois, another prime favorite.

Stan To Play Again In '61

ST. LOUIS (AP)—Stan Musial said today he will play again next season for the St. Louis Cardinals, ending speculation he would retire at the close of the current campaign.

The 39-year-old slugger, probably the top National League player of all time, announced his plans at a press conference at Busch Stadium.

Stan the Man told the gathering he had decided to play in 1961 "because I enjoy it."

"Baseball has been my business and pleasure too long for me not to play," he said.

Musial said he is confident he can help the Redbirds next year.

Musial, who has won 7 National League batting titles and 3 Most Valuable Player awards in 18 full seasons with the Cardinals, is hitting .282.

Pirates, Brewery Settle Ad Issue Out Of Court

PITTSBURGH (AP) — The owners of the Pittsburgh Pirates and the Duquesne Brewing Co. have settled a beer advertising issue out of court.

The Pittsburgh Athletic Co. earlier this week filed a suit against the brewery for using a beer bottle label containing the word "BUCcaneer and the picture of a baseball player.

As of 5 p. m. Friday, the club said Wednesday, the brewery will stop using the controversial label.

Hank, Smith Fight To Draw

CHICAGO (AP) — Hammering Henry Hank, Detroit slugger who has been angling for a crack at the middleweight crown, had a new ambition today — a rematch with hitherto unknown Jesse Smith of Chicago.

Smith, unranked among the middleweights, mixed a blistering attack with skillful defense Wednesday night and held Hank to a draw in a 10-round nationally televised bout at the Chicago Stadium.

Smith, unawed by Hank's impressive knockout record, would have scored a big upset if he hadn't been tagged with a whistling left uppercut midway in the final round that dropped him for the nine count.

He struggled to his feet, and stuck out his tongue at Hank in a show of heroics, but a chopping overhand right had him sliding along the ropes when the final bell sounded.

Smith slipped most of Hank's heavy artillery and countered effectively, until he was tagged in the tenth. He had Hank in trouble momentarily in the third with a left-right combination and again in the sixth round, after successfully absorbing some stiff shots from the Detroit belter.

Referee Frank Sikora had Hank ahead 46-44 under the 5 points-a-round must system, while Judge Frank McAdams awarded the bout to Smith, 47-45. Judge William Doty marked both fighters even, 46-46. The Associated Press had Smith ahead 47-45.

New Strikeout Mark Set By Bucs' Batters

By MURRAY CHASS

PITTSBURGH (AP)—Stan Williams struck out 13 Pittsburgh batters Wednesday night and help set a new strikeout record. But he complained his control was off.

"I just didn't have my control," said the Los Angeles righthander after beating Pittsburgh 5-2. "I wasn't getting them in there where I wanted, and that may have had something to do with it.

"When the batters see a pitcher who normally has pretty good control acting a bit wild out there, they just can't loosen up like they want to.

"Some of those pitches weren't where the batters thought they were going to be. They couldn't hit them."

Dodger Manager Walter Alston agreed.

The strikeouts combined with Mike McCormick's 13 strikeouts against the Pirates Tuesday night for San Francisco, gave Pittsburgh 26 in two games, a new National League mark.

The old mark was set in 1933 when St. Louis pitchers struck out 24 Chicago batters in two straight games. The major league mark is 28.

Pirate Manager Danny Murtaugh commented: "Williams was just pitching real good ball out there. "Our trouble is we're just not scoring any runs. You can't win without them. We'd better get some tomorrow."

County Sports Group Sets Shoot

The Columbiana County Fish and Game Association will stage a prize and ham shoot Sunday Sept. 25 at 1 p. m. at the club's range located southeast of Elkton just off Route 7.

Trap shooting and stationary targets will be featured.

During the last meeting Glen Ramsey was elected president, Lantford Blevins, vice president, Jim Johnson, secretary and Joe Robbins, treasurer. Two new trustees named were Paul Sailing and Harold Walton. All officers are from East Liverpool.

Bill DeWitt, president of the Detroit Tigers, started in baseball in 1916 as office boy for Branch Rickey with the St. Louis Browns.

Ohio State Will Pass More, Buck Coach Says

By FRITZ HOWELL
Associated Press Sports Writer

COLUMBUS, Ohio (AP)—Coach Woody Hayes says his Ohio State football team will pass more than usual this fall, but that he still believes "a ball under the arm is worth two in the air."

The Buckeye chieftan, addressing Sigma Delta Chi journalistic fraternity members Wednesday night, said he figures to have a smaller but faster team this year—and he's especially high on his defensive corps.

He said the passing game would be enhanced because "we have better receivers than we've had in years—and quarterback Tom Matte is a much better thrower than most folks realize."

Hayes disclosed that Buckeye placekicking will be poorer than usual, and the punting nothing sensational.

"Those long punters, unless they can keep the ball high enough to allow your defenders to get down under them, aren't much use anyway," Hayes said. "We had the best defense in the Big Ten against runbacks last year, and with short punters we should do all right again."

Switching to the grant-in-aid program under which needy and qualified athletes are helped through school, Hayes said:

"Some of our boys are getting nothing, and some as low as $100. But then every student in the university gets around $1,200 or $1,400 free, for that's what it costs the state for each one every year.

"I've heard some people say the athletes should get more because they bring in a lot of money. Since I came to Ohio State in 1951 our football receipts have been about 16 million dollars.

"I figured out that if we divided it up between our first two teams each year, each boy would get about $75,000—making them the highest priced athletes in the country."

Hayes said Matte and fullback Bob Ferguson could be great this year. With them in the backfield are sophomores Ed Ulmer and Bob Klein, both light but lightning fast. Bill Wentz of Canton will support the newcomers at each half.

The offensive line shapes up with Bob Middleton of Marion, Chuck Bryant of Zanesville and Paul Martin of Canton as the top ends; Jim Tyrer of Newark and Bob Vogel of Massillon at tackle; Gabe Hartment of Troy, Oscar Hauer of Hamilton and Don Young of Dayton the leading guards, and little Billy Joe Armstrong of Huron, a sophomore, at center.

Mike Ingram, the fireplug from Bellaire, will be the all-around guy even under the platoon system which Hayes will employ. He's a defensive linebacker and offensive guard, and Hayes said he'd probably be on the field more than any other player.

The Bucks dropped down to a single practice Wednesday, after morning and afternoon sessions earlier. The lone workout was a dilly, however, lasting three hours and 15 minutes. Halfbacks Klein and Ulmer suffered minor injuries, but Hayes said they'd be in top shape for the opener with Southern Methodist, Sept. 24.

Returned Newsman Discusses Russian TV

Funny, the little things that give pleasure to an American after an extended stay in Russia! In the case of NBC correspondent Joe Michaels, just returned from an 18-month Moscow assignment and vigorously inhaling the sweet smell of freedom, one of his pleasures is reading headlines that deal with American leaders on TV, such as "Eisenhower To Speak on All Networks," or "Nixon and Kennedy To Appear in 'The Great Debate' Sept. 26."

Marie Torre

You know how Michaels feels when he reports that any appearance on TV by Nikita Khrushchev is as much a secret in Moscow as is the mystery guest on "What's My Line?"

"THERE'S NO publicity at all on official talks or speeches," says Michaels. "The only tipoff is an announcement on screen about half an hour in advance stating that an important event is about to take place.

"Then, at the appointed time, Mr. Khrushchev, or perhaps a high-ranking government official, will appear on the screen. The routine is the same in radio.

"Nobody's ever explained to me exactly why Russian broadcasting follows this policy. Knowing their weird ideas on security, I'd guess this is done because of an old fear that if an enemy of the state were to know where the Premier was to appear, he'd bomb the place."

Nor does the viewer in Russia ever get the opportunity to visit the local station for a look at broadcasters in action.

"THERE'S NO such thing as a guided tour of the Rockefeller Center Studios," the newsman noted. "In fact, we're not even permitted to take pictures of the transmitting stations. These are off limits.

"Perhaps it's the old revolutionary thought - communications centers are associated with revolt. Broadcasting stations are the first places to be seized in a rebellion. I suppose the Russians feel such places are best kept out of the public eye."

The United States was pretty well blacked out on television coverage of the Francis G. Powers trial, and Michaels expects we'll receive similar treatment on the upcoming RB47 case, the trial of the crew of the U.S. plane downed in Russian territory.

"Actually," Michaels said, "we'd been promised films of the Powers trial by the Russian press information office, but shortly before the trial we were notified that the film reproducing machine had broken down.

"When we asked how long the machine would be out of order, we received a vague reply of 'several days' — pretty strange, since Moscow is the center of the Russian film business."

AS FOR the Russian TV diet, Michaels reports there's very little variety — "a few propaganda-loaded documentaries, telecasts of cultural events such as the Bolshoi Ballet, and a series of newscasts.

"If the viewer wants to study a schedule of the day's or week's TV fare, he writes into the stations. He has no such thing as TV listings, or a TV column in his newspaper. . . . Or enough of the kind of entertainment the average Russian favors — romantic froth and pretty scenes and happy situations."

Anything, in effect, that isn't like life in Russia!

UNDER THE NEW "payola" regulations expected to be adopted soon by the FCC, program producers, ad agencies and broadcasters face $10,000 fines and one-year jail sentences if they withhold information on TV contests which are not what they appear to be. . . .

Comedian Jonathan Winters has both a new TV partner and a TV series idea. Having formed a partnership with Herbert Swope Jr., Winters goes before cameras in mid-November for the pilot film of a half-hour anthology-type comedy . . .

CBS Radio received an unexpected posy from Leonard Bernstein, who attributed the smashing success of his current concert tour to the radio network. "I am touched," said Bernstein, "by the number of people who approach me on the street and tell me that they are radio members of Philharmonic and that they've been listening to the orchestra since childhood." . . .

Sen. Kennedy's wife, Jacqueline, and their 2½-year-old daughter will be in attendance when "Person to Person" cameras focus on the Georgetown home Sept. 29.

City Housing Units Increase

A 3 per cent increase in housing units in East Liverpool for the 1950-60 decade was noted by the Bureau of Census in a preliminary report on the April population and housing census.

There was a total of 7,750 occupied and vacant housing units in the city in this year's count, compared to 7,254 in 1950.

However, of the total listed in April, there are 160 homes slated for demolition to clear the right-of-way for the proposed West End Freeway so that apparent margin of 226 additional homes listed in 1960 has been considerably reduced by those West End houses already torn down.

The preliminary report is for communities of 10,000 population or more, and the large amount of new construction in the suburban areas is not listed.

Salem had a 15 per cent increase in housing units in the decade—from 4,076 to 4,686.

Ashtabula, which had a population similar to East Liverpool's during the past decade, had a housing increase of 12 per cent, from 7,200 to 8,058.

Steubenville's housing went from 10,491 to 10,939, a 4 per cent increase.

Florida 'Digs In' To Rebuild From Hurricane Wreckage

MIAMI, Fla. (AP)—Flood waters, washed out highways, rats and mountains of debris won't stand in the way of Florida residents determined to sweep aside Hurricane Donna's rubble and rebuild "bigger and better than ever."

Typical of the feeling which prevailed was a move in Miami to adopt families left homeless by the hurricane. A 22-year-old bookkeeper discussed the idea with three of her co-workers and they decided to start a chain of good will.

The plan is for persons to give spare items which will help set families back up in housekeeping.

A "little WPA" which would not only help with the cleanup task but would provide work in the devastated areas was proposed Tuesday by Gov. LeRoy Collins.

The governor said the project would be especially effective in the Florida keys, where he saw 80 per cent devastation, and he noted that many would rather work than accept handouts.

In some areas rats, flooded out of their usual field haunts, moved into residential subdivisions. A South Miami boy was bitten and may undergo the series of painful rabies shots. Men in some communities formed shooting parties to kill the large rodents.

Effect of Hurricane Donna on wildlife in the Florida everglades probably won't be known for some time. The hurricane's full force swept through the two-million-acre area on Florida's southern tip.

Some 250 storm refugees are at Islamorada, a once-busy sports fishing center 75 miles south of Miami. A mess hall was set up in a Methodist church. Food and water are being airlifted by Navy helicopters. Doctors have been busy giving typhoid inoculations.

State road department employes are working alongside Army, Navy and Marine Corps personnel building temporary bridges to reopen the 120-mile Overseas Highway. National Guardsmen are protecting what valuables remain from looting.

Air Force Fails To Catch Space Capsule On Fly

VANDENBERG AIR FORCE BASE, Calif. (AP) — The Air Force failed Wednesday to catch a parachuting space capsule on the fly but reported late Wednesday night that the space package was sighted in the sea.

The Air Force said the capsule, parachuted from the orbiting Discovery XV satellite, was sighted by plane about 200 miles northwest of Christmas Island and 800 to 1,000 miles southwest of the Hawaiian Islands.

An Air Force spokesman said an amphibious plane was expected to land on the scene about 9 a. m. Thursday (Pacific Daylight Time) and recover the capsule.

This would be the third straight capsule recovery for the United States. The capsule of Discoverer XIII was plucked from the sea and the capsule of Discoverer XIV was snatched from the sky.

Returned Newsman Discusses Russian TV

Funny, the little things that give pleasure to an American after an extended stay in Russia! In the case of NBC correspondent Joe Michaels, just returned from an 18 - month Moscow assignment and vigorously inhaling the sweet smell of freedom, one of his pleasures is reading headlines that deal with American leaders on TV, such as "Eisenhower To Speak on All Networks," or "Nixon and Kennedy To Appear in 'The Great Debate' Sept. 26."

Marie Torre

You know how Michaels feels when he reports that any appearance on TV by Nikita Khrushchev is as much a secret in Moscow as is the mystery guest on "What's My Line?"

-:-

"THERE'S NO publicity at all on official talks or speeches," says Michaels. "The only tipoff is an announcement on screen about half an hour in advance stating that an important event is about to take place.

"Then, at the appointed time, Mr. Khrushchev, or perhaps a high-ranking government official, will appear on the screen. The routine is the same in radio.

"Nobody's ever explained to me exactly why Russian broadcasting follows this policy. Knowing their weird ideas on security, I'd guess this is done because of an old fear that if an enemy of the state were to know where the Premier was to appear, he'd bomb the place."

Nor does the viewer in Russia ever get the opportunity to visit the local station for a look at broadcasters in action.

-:-

"THERE'S NO such thing as a guided tour of the Rockefeller Center Studios," the newsman noted. "In fact, we're not even permitted to take pictures of the transmitting stations. These are off limits.

"Perhaps it's the old revolutionary thought - communications centers are associated with revolt. Broadcasting stations are the first places to be seized in a rebellion. I suppose the Russians feel such places are best kept out of the public eye."

The United States was pretty well blacked out on television coverage of the Francis G. Powers trial, and Michaels expects we'll receive similar treatment on the upcoming RB47 case, the trial of the crew of the U.S. plane downed in Russian territory.

"Actually," Michaels said, "we'd been promised films of the Powers trial by the Russian press information office, but shortly before the trial we were notified that the film reproducing machine had broken down.

"When we asked how long the machine would be out of order, we received a vague reply of 'several days' — pretty strange, since Moscow is the center of the Russian film business."

-:-

AS FOR the Russian TV diet, Michaels reports there's very little variety — "a few propaganda-loaded documentaries, telecasts of cultural events such as the Bolshoi Ballet, and a series of newscasts.

"If the viewer wants to study a schedule of the day's or week's TV fare, he writes into the stations. He has no such thing as TV listings, or a TV column in his newspaper. . . . Or enough of the kind of entertainment the average Russian favors — romantic froth and pretty scenes and happy situations."

Anything, in effect, that isn't like life in Russia!

-:-

UNDER THE NEW "payola" regulations expected to be adopted soon by the FCC, program producers, ad agencies and broadcasters face $10,000 fines and one-year jail sentences if they withhold information on TV contests which are not what they appear to be. . . .

Comedian Jonathan Winters has both a new TV partner and a TV series idea. Having formed a partnership with Herbert Swope Jr., Winters goes before cameras in mid-November for the pilot film of a half-hour anthology-type comedy . . .

CBS Radio received an unexpected posy from Leonard Bernstein, who attributed the smashing success of his current concert tour to the radio network. "I am touched," said Bernstein, "by the number of people who approach me on the street and tell me that they are radio members of Philharmonic and that they've been listening to the orchestra since childhood." . . .

Sen. Kennedy's wife, Jacqueline, and their 2½-year-old daughter will be in attendance when "Person to Person" cameras focus on the Georgetown home Sept. 29.

City Housing Units Increase

A 3 per cent increase in housing units in East Liverpool for the 1950-60 decade was noted by the Bureau of Census in a preliminary report on the April population and housing census.

There was a total of 7,750 occupied and vacant housing units in the city in this year's count, compared to 7,254 in 1950.

However, of the total listed in April, there are 160 homes slated for demolition to clear the right-of-way for the proposed West End Freeway so that apparent margin of 226 additional homes listed in 1960 has been considerably reduced by those West End houses already torn down.

The preliminary report is for communities of 10,000 population or more, and the large amount of new construction in the suburban areas is not listed.

Salem had a 15 per cent increase in housing units in the decade—from 4,076 to 4,686.

Ashtabula, which had a population similar to East Liverpool's during the past decade, had a housing increase of 12 per cent, from 7,200 to 8,058.

Steubenville's housing went from 10,491 to 10,939, a 4 per cent increase.

The company, employing 230, was struck Aug. 24 by the United Rubber Workers, and company president M. C. Bonar said Wednesday "we're going to make every effort to open the plant."

Florida 'Digs In' To Rebuild From Hurricane Wreckage

MIAMI, Fla. (AP)—Flood waters, washed out highways, rats and mountains of debris won't stand in the way of Florida residents determined to sweep aside Hurricane Donna's rubble and rebuild "bigger and better than ever."

Typical of the feeling which prevailed was a move in Miami to adopt families left homeless by the hurricane. A 22-year-old bookkeeper discussed the idea with three of her co-workers and they decided to start a chain of good will.

The plan is for persons to give spare items which will help set families back up in housekeeping.

A "little WPA" which would not only help with the cleanup task but would provide work in the devastated areas was proposed Tuesday by Gov. LeRoy Collins.

The governor said the project would be especially effective in the Florida keys, where he saw 80 per cent devastation, and he noted that many would rather work than accept handouts.

In some areas rats, flooded out of their usual field haunts, moved into residential subdivisions. A South Miami boy was bitten and may undergo the series of painful rabies shots. Men in some communities formed shooting parties to kill the large rodents.

Effect of Hurricane Donna on wildlife in the Florida everglades probably won't be known for some time. The hurricane's full force swept through the two-million-acre area on Florida's southern tip.

Some 250 storm refugees are at Islamorada, a once-busy sports fishing center 75 miles south of Miami. A mess hall was set up in a Methodist church. Food and water are being airlifted by Navy helicopters. Doctors have been busy giving typhoid inoculations.

State road department employes are working alongside Army, Navy and Marine Corps personnel building temporary bridges to reopen the 120-mile Overseas Highway. National Guardsmen are protecting what valuables remain from looting.

Air Force Fails To Catch Space Capsule On Fly

VANDENBERG AIR FORCE BASE, Calif. (AP) — The Air Force failed Wednesday to catch a parachuting space capsule on the fly but reported late Wednesday night that the space package was sighted in the sea.

The Air Force said the capsule, parachuted from the orbiting Discovery XV satellite, was sighted by plane about 200 miles northwest of Christmas Island and 800 to 1,000 miles southwest of the Hawaiian Islands.

An Air Force spokesman said an amphibious plane was expected to land on the scene about 9 a. m. Thursday (Pacific Daylight Time) and recover the capsule.

This would be the third straight capsule recovery for the United States. The capsule of Discoverer XIII was plucked from the sea and the capsule of Discoverer XIV was snatched from the sky.

Restrictions Marked Visit With Imprisoned Brother

("The greatest human consolation" he ever received — that's how Bishop James Edward Walsh, imprisoned in Communist China, described the visit of his brother, former Maryland Attorney General William C. Walsh. This is another in a series of articles on Walsh's journey to Shanghai.

By WILLIAM C. WALSH

Written for The Associated Press Copyright, 1960, By The Associated Press

The day after my arrival in Shanghai, I visited my brother, the first time.

He was being held in Shanghai jail, serving a 20-year sentence on charges of espionage. Mr. L , an official of the Communist Chinese Red Cross, and Mr. Shen, an interpreter, called at my hotel and took me by car to the walled prison.

I went in, accompanied by the Chinese Red Cross representative, and entered a room in the prison building where a white-coated guard was seated at a table. I was asked to fill out an application, in duplicate—giving my name, relationship to the prisoner, listing any articles I wanted to give him, and certain other information including my telephone number. I gave them my residence phone number, at Cumberland, Md.

I was also required to turn over any articles for the prisoner. After complying with these formalities, I was taken to another room where I met the prison official who was to preside over the interview. With him was an interpreter. The guard who had taken my application also accompanied me into the room, and in the back sat a photographer.

Seated at an oblong table with the prison official and interpreter on the other side, I was then read the regulations governing visits to the prison.

Among other things, these stated that no written message could be given the prisoner, no notes, cameras or recording devices could be taken to the interview; there could be no discussion of the charges against the prisoner or his trial; that all letters and gifts were subject to approval by prison authorities, and that he could be given necessities only; that the interview was limited to 30 minutes and would be ended instantly if improper matters were discussed.

Shortly after the regulations were read to me and I had agreed to abide by them, my brother entered the room with a guard.

We shook hands. Some of the Maryknoll Fathers whom I had met in Hong Kong who had been in China with my brother asked me particularly to remember them to him. When I started to mention their names, I was told this was improper and that I should confine the discussion to family matters.

My brother and I then talked about various members of the family. A little later I asked him if he wished any efforts made to obtain his release from prison. I asked because some three or four years ago he had been authorized by the Chinese authorities to leave China but had refused on the grounds that he wanted to remain with the Chinese people, among whom he had worked most of his life.

The interpreter began talking to the prison official about this question, but before it was ruled out of order, my brother said:

"While no one likes to be confined, I am not unhappy here, and I leave the future entirely in hands of God."

The interpreter told me the subject could not be pursued.

My brother appeared to be well. He did not seem dejected, but on the contrary in good spirits. He told me that my visit was the greatest human consolation he had ever received.

He said he was in the prison's hospital section, not because of any illness but because of his age—69. He seemed somewhat thin, but then he never was very robust, and he told me he weighed 135 pounds, his customary weight.

My brother also told me he had a bed to sleep on; received three meals a day which, though plain, were sufficient; that he was allowed to exercise outside twice daily; that he had a cellmate who was apparently Chinese but who could speak English.

He doesn't have his breviary or any other religious books, nor does he have a rosary. As a present representing the 50th anniversary of our graduation, the authorities of Mount St. Mary's College had provided a gold rosary for the surviving members of the class of 1910.

I asked permission to give this rosary to him, explaining it was an anniversary gift. It was turned back to me with the comment that it was not necessary for him to have it and that prisoners were allowed only necessities.

I was allowed to give my brother a box of cigars, some cookies and candy, a fountain pen, some stationery, some clothing and two pictures of my grandchildren.

He told me he was receiving the customary two Red Cross packages each month and that he had an ample supply of cigarettes. Apparently, he is allowed to smoke only three or four a day.

On my final visit I also left with the prison authorities my own prayer book, a small one, asking that it be returned to me if my brother did not receive it. I was told the book would have to be inspected, and while I tried to find out about it before I left, I was told it was still under inspection. So I don't know whether or not he got it.

At my first interview with my brother, a photographer was taking pictures. I asked the prison official whether one could be taken of my brother and me together, and this was done in the prison yard. A few days later a Chinese Red Cross representative brought me a print of this picture and also of one taken inside.

I was allowed to visit my brother on Aug. 4, Aug. 8 and Aug. 11.

I have tried to give an accurate account of the interviews with my brother. I am not complaining about either the length or their numbers. I appreciate very much having been allowed to see him, and I am very grateful to the Red Cross Society of China for obtaining the permission for me, and to the Chinese authorites who granted them.

Shortly before the end of the last visit we discussed the possibility of our seeing each other again.

I told him that if I could not get back we would not see each other again unless he got out, and he said, "We will meet in heaven."

I was somewhat upset. I remembered from the time our picture was taken in the prison yard that I could see him from the window in the room, walking across the yard to a passageway between two buildings.

I went to the window and pulled aside the curtain but as the lower part of the window was painted, I could not see through. However, the interpreter helped me to open the window. When it was opened my brother was perhaps 10 or 12 feet from the passageway.

I called to him. He turned towards the window. We waved to each other and I said, "So long, James," and then he disappeared in the passageway.

Peach Cobbler Is Tempting Popular Dessert

The bountiful 1960 peach crop will be recalled with pleasure long after the trees are bare, thanks to the many homemakers who freeze or can the fruit.

And what better way for peaches to appear on the table than as a tempting, popular peach cobbler?

Peach Cobbler

2 tablespoons quick-cooking tapioca
1 cup sugar
¼ teaspoon nutmeg
4 cups sliced peaches
1 cup water
2 tablespoons lemon juice
¼ teaspoon grated lemon rind
2 tablespoons butter
1½ cups sifted flour
2 teaspoons double-acting baking powder
2 tablespoons sugar
½ teaspoon salt
⅓ cup shortening
½ cup milk

Combine quick - cooking tapioca, 1 cup sugar, ¼ teaspoon salt, nutmeg, peaches, water, lemon juice, and lemon rind in an 11x7x2-inch baking dish. Dot with butter.

Combine sifted flour, baking powder, 2 tablespoons sugar, and ½ teaspoon salt; sift together. Cut in shortening. Add milk gradually, stirring until soft dough is formed. Turn out on lightly floured board and knead 30 seconds, or enough to shape.

Roll dough to fit top of dish, and cut several slits near the center. Or cut circle from center of crust, cut peach shape from dough and place in center as shown in the picture.

Adjust dough on peach mixture, opening slits with a knife to permit escape of steam. Bake in hot oven (425 deg. F.) 30 minutes. Sprinkle confectioners' sugar over top and serve with cream, if desired. Makes eight servings.

County Courts Collect $4,343 For Treasurer

The state treasurer received $1,860.75 as its share of patrol cases.

Judge Pens Own Ruling In Case Of Jurisdiction

A parallel to the old question of who cuts the barber's hair and who pulls the dentist's tooth arose in Municipal Court when Judge Samuel M. Chertoff needed an opinion on the court's jurisdiction in hearing cases that could be prosecuted either as a misdemeanor or a felony.

So, after some exhaustive research into state law and rulings of the State Supreme Court and district appellate courts, the judge wrote his own opinion.

In brief, he decided that the local court's only right in a case that could be either a felony or a misdemeanor is to treat it as a felony and hold a preliminary hearing to determine whether the defendant should be bound over to the Grand Jury.

That changes former procedure, as some such cases had been disposed of by the local court and some had been passed on to the Grand Jury.

Generally speaking, a felony is any crime that provides for a penitentiary sentence and a misdemeanor is an infraction that can be punished by a fine or a term in a local or county jail. The question arose because the state code allows some offenses to be punished either way — on one hand as a felony and on the other as a misdemeanor.

In his opinion, the judge cited numerous high authorities pointing to the same conclusion: If a violation conceivably could be punished as a felony, the lower court should refer it to the Grand Jury and not assume final jurisdiction itself.

Cat Believed Rabid Bites Wellsville Boy

Bill Long, 1819 Nevada St., Wellsville dog warden, today issued a warning to pet owners that they also should keep their cats confined after a 10-year-old boy was attacked and bitten by a cat Monday night along the Ohio River bank near the Wellsville Boat Club.

Long said Mike Reed, son of Mr. and Mrs. Carl Reed of 16th and Riverside Ave., was bitten by a gray cat while playing in the vicinity. He said he has been unable to catch the wary animal to have it checked for rabies.

The boy has been taking rabies shots and has received six to date, Long said.

He said that all pets, including dogs and cats, should be confined, especially now that school has resumed and many children walk the streets.

He said he has been receiving numerous complaints of cats and dogs running loose around town.

He pointed out that a cat that is rabid could spread the disease to a dog by attacking it.

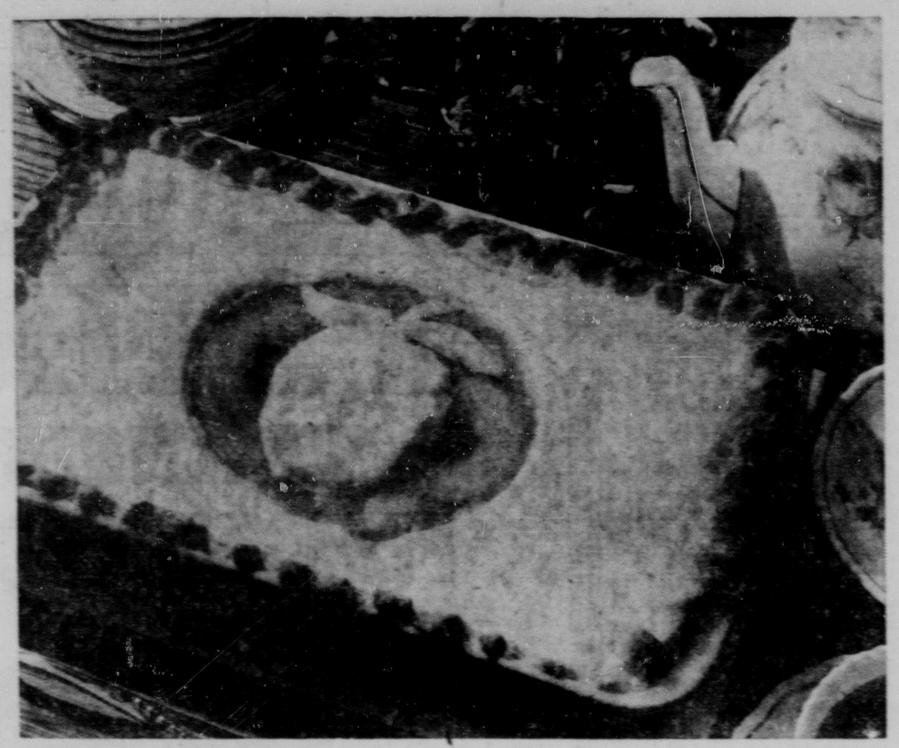
Peach Cobbler Is Tempting Popular Dessert



The bountiful 1950 peach crop will be recalled with pleasure long after the trees are bare, thanks to the many homemakers who freeze or can the fruit.

And what better way for peaches to appear on the table than as a tempting, popular peach cobbler?

Peach Cobbler

2 tablespoons quick-cooking tapioca
1 cup sugar
¼ teaspoon nutmeg
4 cups sliced peaches
1 cup water
2 tablespoons lemon juice
¼ teaspoon grated lemon rind
2 tablespoons butter
1½ cups sifted flour
2 teaspoons double-acting baking powder
2 tablespoons sugar
½ teaspoon salt
½ cup shortening
½ cup milk

Combine quick - cooking tapioca, 1 cup sugar, ¼ teaspoon salt, nutmeg, peaches, water, lemon juice, and lemon rind in an 11x7x2-inch baking dish. Dot with butter.

Combine sifted flour, baking powder, 2 tablespoons sugar, and ½ teaspoon salt; sift together. Cut in shortening. Add milk gradually, stirring until soft dough is formed. Turn out on lightly floured board and knead 30 seconds, or enough to shape.

Roll dough to fit top of dish, and cut several slits near the center. Or cut circle from center of crust, cut peach shape from dough and place in center as shown in the picture.

Adjust dough on peach mixture, opening slits with a knife to permit escape of steam. Bake in hot oven (425 deg. F.) 30 minutes. Sprinkle confectioners' sugar over top and serve with cream, if desired. Makes eight servings.

Judge Pens Own Ruling In Case Of Jurisdiction

A parallel to the old question of who cuts the barber's hair and who pulls the dentist's tooth arose in Municipal Court when Judge Samuel M. Chertoff needed an opinion on the court's jurisdiction in hearing cases that could be prosecuted either as a misdemeanor or a felony.

So, after some exhaustive research into state law and rulings of the State Supreme Court and district appellate courts, the judge wrote his own opinion.

In brief, he decided that the local court's only right in a case that could be either a felony or a misdemeanor is to treat it as a felony and hold a preliminary hearing to determine whether the defendant should be bound over to the Grand Jury.

That changes former procedure, as some such cases had been disposed of by the local court and some had been passed on to the Grand Jury.

Generally speaking, a felony is any crime that provides for a penitentiary sentence and a misdemeanor is an infraction that can be punished by a fine or a term in a local or county jail. The question arose because the state code allows some offenses to be punished either way — on one hand as a felony and on the other as a misdemeanor.

In his opinion, the judge cited numerous high authorities pointing to the same conclusion: If a violation conceivably could be punished as a felony, the lower court should refer it to the Grand Jury and not assume final jurisdiction itself.

Cat Believed Rabid Bites Wellsville Boy

Bill Long, 1819 Nevada St., Wellsville dog warden, today issued a warning to pet owners that they also should keep their cats confined after a 10-year-old boy was attacked and bitten by a cat Monday night along the Ohio River bank near the Wellsville Boat Club.

Long said Mike Reed, son of Mr. and Mrs. Carl Reed of 16th and Riverside Ave., was bitten by a gray cat while playing in the vicinity. He said he has been unable to catch the wary animal to have it checked for rabies.

The boy has been taking rabies shots and has received six to date, Long said.

He said that all pets, including dogs and cats, should be confined, especially now that school has resumed and many children walk the streets.

He said he has been receiving numerous complaints of cats and dogs running loose around town.

He pointed out that a cat that is rabid could spread the disease to a dog by attacking it.

Bringing Up A Family

By GARRY C. MEYERS

Child Shouldn't Dally After School

If your child is in the first or second grade, you should train him to make a beeline for home immediately after school lets out. Do this for his physical and moral safety. The earlier in his school life this good habit is established, the better. If you can always be home when he returns from school, you can welcome him and listen to his day's experiences. If you must work, do have a worthy substitute to help make his coming home enjoyable. There's the youngster, 8, 10 or 12, who loiters on the way home from school, to watch some building activity. Maybe he stops with another child at a dime store or the like, not to purchase anything but to examine things of interest there.

Garry C. Meyers

—:—

THIS PRACTICE tempts a child to take things, especially if he is with another child who does.

If your child often arrives home unduly late, it might be well to go and meet him. A better way is to arrive at school before it is dismissed and bring him home. If the school is within walking distance, it may be more effective to walk home with him.

Though he may be embarrassed by such procedure, he may see that it is a choice between this way and his coming home promptly.

—:—

VERY EARLY IN his school life the child should, on knowing he would have special occasion to leave school late, let his mother know of this in the morning or telephone her from school. For such contingency he should always have extra money with him for telephoning.

Responsibility for giving such information should continue on through high school. Otherwise parents often may have needless worries and anxieties.

The principle involved should also be observed by parents as a good example for children. Happy are the family relations when each member knows where the others are during reasonable periods of time.

My bulletin, "Reponsibility" may be had by sending a self-addressed, stamped envelope to me in care of this newspaper.

Going Rate For Upside Down Bill Pondered

SALT LAKE CITY, Utah (AP)—Supt. Lyle Hyatt of the Utah Highway Patrol is wondering what the going rate is for an upside down $20 bill.

Hyatt's wife, who works in a bank, found a 1934 series federal reserve note with one side printed upside down. She purchased the bill from the bank.

Hyatt took it to Secret Service Agent Robert F. Grube and he declared it genuine.

Going Rate For Upside Down Bill Pondered

SALT LAKE CITY, Utah (AP)—Supt. Lyle Hyatt of the Utah Highway Patrol is wondering what the going rate is for an upside down $20 bill.

Hyatt's wife, who works in a bank, found a 1934 series federal reserve note with one side printed upside down. She purchased the bill from the bank.

Hyatt took it to Secret Service Agent Robert F. Grube and he declared it genuine.

Ronald Egnor, 14, son of Mrs. Sarah Egnor, 427 Elm St., received an injury of the left arm while practicing football.

Marion Gilbert, 2, son of Mr. and Mrs. David Gilbert of McDonald St., Glenmoor, was treated for an injury to the left arm received in a fall from a couch.

Decisions Bull

PORT CLINTON, Ohio (AP) — It took a lot of bull to stop 18-year-old Edward Lynch of nearby Bellevue. His car was wrecked when it struck and killed a 700-pound bull that had strayed from its pasture onto Ohio 163. Lynch was uninjured.

Hearing Slated On Road Routing

SALEM—A public hearing scheduled for 2 p.m. Thursday, Sept. 22, by the Ohio Department of Highways to hear arguments for and against the rerouting of State Route 45 in this vicinity. Division 11 Deputy Director William P. McKenna will conduct the hearing in Salem's Memorial Building.

The proposed rerouting would carry State Route 45 from the intersection of South Ellsworth Ave. and State St. in Salem, south on Ellsworth Ave. and Depot Rd.—County Rd. 410—to the intersection of Pigeon Rd. — County Rd. 439—then on Pigeon Rd. east to present Route 45.

The proposed rerouting would eliminate 2 turning movements by heavy traffic on Route 45 in downtown Salem. It is proposed that Route 558 will be extended from its intersection with S. Lincoln Ave. north to E. State St. and then west on State to the intersection with Ellsworth Ave. in order to make it continuous.

Also included in the hearing will be the abandonment to the city and county of the portions of present 45, which are proposed to be replaced by the rerouting and not used by other state and U.S. highways.

Organized horse racing in the United States goes back to 1665 when the first track was laid out on Long Island, N. Y.

25 At Hancock Firemen's Event

About 25 attended a meeting of the Hancock County Fire-fighters Association Tuesday night in New Cumberland as the association opened its fall series.

Ralph Villers outlined plans for a radio circuit for county fire departments that is to be installed completely by 1963. Several departments already are hooked up to the radio band for firemen, who are required to broadcast information on a wave length different than that used by police in the area.

J. Carl Durham of Newell, president, presided. The opening prayer was in memory of Wade Thomas, assistant state fire marshal, who died recently.

Lunch was served by the host department. The next meeting will be Oct. 5 in New Cumberland.

Trucker Blames Sun For Cause Of Collision

LISBON — A Youngstown driver blamed bright sunlight for his failure to see a traffic signal and for a subsequent collision of his truck and a pickup truck Wednesday on E. Lincoln Way.

Alex Margosiak, 46, was cited for failure to yield the right-of-way after his truck collided with the pickup truck operated by Edward Shattuck, 18, of 127 E. Pine St. Shattuck, headed north, turned from Jefferson St. onto E. Lincoln Way and his pickup truck was rammed by the other truck, which failed to halt for a traffic signal.

EXTEND LIFE OF OLD LINOLEUM

When you apply this Glaxo like non slippery coating to your linoleum you'll be amazed at its beauty. If your linoleum is getting old and you think it must be replaced try Glaxo first. It seals out dirt and is applied but once or twice a year. Glaxo is a transparent coating that ends waxing.—Milligan's.

Decisions Bull

PORT CLINTON, Ohio (AP) — It took a lot of bull to stop 18-year-old Edward Lynch of nearby Bellevue. His car was wrecked when it struck and killed a 700-pound bull that had strayed from its pasture onto Ohio 163. Lynch was uninjured.

Hearing Slated On Road Routing

SALEM—A public hearing scheduled for 2 p.m. Thursday, Sept. 22, by the Ohio Department of Highways to hear arguments for and against the rerouting of State Route 45 in this vicinity. Division 11 Deputy Director William P. McKenna will conduct the hearing in Salem's Memorial Building.

The proposed rerouting would carry State Route 45 from the intersection of South Ellsworth Ave. and State St. in Salem, south on Ellsworth Ave. and Depot Rd.—County Rd. 410—to the intersection of Pigeon Rd. — County Rd. 439—then on Pigeon Rd. east to present Route 45.

The proposed rerouting would eliminate 2 turning movements by heavy traffic on Route 45 in downtown Salem. It is proposed that Route 558 will be extended from its intersection with S. Lincoln Ave. north to E. State St. and then west on State to the intersection with Ellsworth Ave. in order to make it continuous.

Also included in the hearing will be the abandonment to the city and county of the portions of present 45, which are proposed to be replaced by the rerouting and not used by other state and U.S. highways.

Organized horse racing in the United States goes back to 1665 when the first track was laid out on Long Island, N. Y.

25 At Hancock Firemen's Event

About 25 attended a meeting of the Hancock County Fire-fighters Association Tuesday night in New Cumberland as the association opened its fall series.

Ralph Villers outlined plans for a radio circuit for county fire departments that is to be installed completely by 1963. Several departments already are hooked up to the radio band for firemen, who are required to broadcast information on a wave length different than that used by police in the area.

J. Carl Durham of Newell, president, presided. The opening prayer was in memory of Wade Thomas, assistant state fire marshal, who died recently.

Lunch was served by the host department. The next meeting will be Oct. 5 in New Cumberland.

Trucker Blames Sun For Cause Of Collision

LISBON — A Youngstown driver blamed bright sunlight for his failure to see a traffic signal and for a subsequent collision of his truck and a pickup truck Wednesday on E. Lincoln Way.

Alex Margosiak, 46, was cited for failure to yield the right-of-way after his truck collided with the pickup truck operated by Edward Shattuck, 18, of 127 E. Pine St.

Shattuck, headed north, turned from Jefferson St. onto E. Lincoln Way and his pickup truck was rammed by the other truck, which failed to halt for a traffic signal.

Bones, Clothing May Give Clues To Missing Man

DENVER, Colo. (AP)—The discovery of the bones of a six-foot man and the clothing of Adolph Coors III provided the FBI today with a possible key to the disappearance of the millionaire brewer seven months ago.

The grisley find was made at a trash dump in the Rocky Mountain foothills 12 miles west of Castle Rock, south of Denver.

This is 25 miles from the rural bridge where Coors' abandoned truck was found last Feb. 9. He had left his mountain home that morning enroute to work at the Adolph Coors Co. plant at Golden.

Agents and sheriff's officers are continuing the search for the skull and other bones they said are required for identification. A pathologist has said the bones already found are those of an adult male about six feet tall.

A truck driver on a target shooting outing, Edward Green, 30, of Englewood, found the clothing last Sunday.

Attempt To Defeat Kennedy

Anti-Catholic Literature Reported Flooding Mails

WASHINGTON (AP)—Sen. Henry M. Jackson, Democratic national chairman, says someone is flooding the mails with anti-Catholic literature in an attempt to defeat John F. Kennedy for president.

Former President Harry S. Truman also brought up the subject while taking a morning stroll Wednesday in New York. "In my home town," Truman remarked, "the Republicans are sending out all the dirty pamphlets they can find on religion."

That brought emphatic denials from the former GOP national chairman, Meade Alcorn and from Ed Stollenwerck, Republican chairman of Truman's own Jackson County, Mo. They said Republican organizations have no part in any hate-mail campaign.

Jackson said that as far as he knows the mail has not come from any Republican party official, but he urged newsmen to track down the source of the anti-Catholic mail.

He wouldn't say what information he has on any source, but told a news conference: "I'll give you a little clue. You might ask Dr. Peale who prepared his statement."

Dr. Norman Vincent Peale, New York minister and author of inspirational books, led a group of 150 Protestant ministers and laymen who met here a week ago and issued a statement. It said any Roman Catholic president (Kennedy is a Catholic) would be under pressure from the church hierarchy to breach the wall of separation of church and state.

The statement was issued as a collective one by the group, which called itself the National Conference of Citizens for Religious Freedom.

Peale later backed off a little. He said public agitation over the religious issue would harm the nation and that therefore he would take no active part in the political campaign.

Jackson said Peale was a Republican and a friend of Vice President Richard M. Nixon, Kennedy's Republican opponent. He said, "I think Dr. Peale has a deep responsibility as a matter of conscience to tell the truth" about the authorship of the group's statement.

Peale was not available for comment on Jackson's statement.

West Virginia Asked To Join In Nuclear Progress Of South

CHARLESTON (AP) — West Virginia had an invitation today to join in efforts to encourage, guide and assist in the nuclear development of the South.

Such a step will require legislative action, in the form of approval for state participation in an interstate agreement — the Southern Interstate Nuclear Compact already adopted by legislatures in Kentucky and Louisiana.

Robert H. Solomons, consultant in Atlanta headquarters of the Southern Regional Education Board, outlined details of the compact before legislative study groups here yesterday. More study of it probably will come later.

The 16 states whose governors take part in the Southern Governor's Conference are eligible to become compact members. The agreement would be a contract among participating states, and at the same time statute in each.

Language in the compact draft, prepared under auspices of the Regional Advisory Council on Nuclear Energy and the Council of State Governments, begins with a statement of objectives and how the compact would implement them.

The party states would recognize that proper employment of nuclear energy, facilities, materials and products can assist substantially in industrialization of the South and development of a balanced economy.

The second article provides for a Southern Interstate Nuclear Board with one member from each participating state; and a federal member — to serve without a vote —if federal law should provide for such representation.

The compact would provide that the board base its budget requests to states on a formula, with one-half of operating costs under the agreement to be borne by party states in equal shares.

Attempt To Defeat Kennedy

Anti-Catholic Literature Reported Flooding Mails

WASHINGTON (AP)—Sen. Henry M. Jackson, Democratic national chairman, says someone is flooding the mails with anti-Catholic literature in an attempt to defeat John F. Kennedy for president.

Former President Harry S. Truman also brought up the subject while taking a morning stroll Wednesday in New York. "In my home town," Truman remarked, "the Republicans are sending out all the dirty pamphlets they can find on religion."

That brought emphatic denials from the former GOP national chairman, Meade Alcorn and from Ed Stollenwerck, Republican chairman of Truman's own Jackson County, Mo. They said Republican organizations have no part in any hate-mail campaign.

Jackson said that as far as he knows the mail has not come from any Republican party official, but he urged newsmen to track down the source of the anti-Catholic mail.

He wouldn't say what information he has on any source, but told a news conference: "I'll give you a little clue. You might ask Dr. Peale who prepared his statement."

Dr. Norman Vincent Peale, New York minister and author of inspirational books, led a group of 150 Protestant ministers and laymen who met here a week ago and issued a statement. It said any Roman Catholic president (Kennedy is a Catholic) would be under pressure from the church hierarchy to breach the wall of separation of church and state.

The statement was issued as a collective one by the group, which called itself the National Conference of Citizens for Religious Freedom.

Peale later backed off a little. He said public agitation over the religious issue would harm the nation and that therefore he would take no active part in the political campaign.

Jackson said Peale was a Republican and a friend of Vice President Richard M. Nixon, Kennedy's Republican opponent. He said, "I think Dr. Peale has a deep responsibility as a matter of conscience to tell the truth" about the authorship of the group's statement.

Peale was not available for comment on Jackson's statement.

In an earlier talk before the Phoenix Press Club, the Texas senator accused the Republicans of switching signals in calling for new federal reclamation projects.

Engineering Set For Fiscal Year On District Lake

Construction of a dam at Highlandtown for impounding a 180-acre lake for the state recreation area will be engineered and designed the current fiscal year, according to State Rep. Clarence Wetzel of Lisbon.

The proposed dam is slated for construction during the biennium 1961-63. A total of 1,471 acres of land has been purchased at a cost of $143,940 for the Highlandtown site for fishing, boating and swimming.

Wetzel said the lake project and others throughout Ohio are financed by revenue from a federal tax on sporting goods along with state revenue from licenses and fines.

A 10 per cent tax on such items as guns, ammunition, fishing equipment and hunting clothes is collected by the federal government, with about 75 per cent of the revenue returned to the various states.

Fishing, hunting and boating licenses provide Ohio's share of the costs of the project along with fines from sport violations. Federal funds total some 75 per cent of the costs of the lake and park projects, and state funds the remaining 25 per cent, Wetzel explained.

Aged Care Fund Due

WASHINGTON (AP) — Excess funds from the new federal program for medical care for the needy aged will allow Ohio to release $6,430,000 of its state-local funds for further improving medical care for old-age recipients or helping provide for others unable to pay medical bills. The Welfare Department pointed out that, although such states as Ohio which have had money released because of the excess federal funds are free to decide how the released funds will be used, congressional intent was clear that they should result in improvement or initiation of medical care programs for the aged.

2,000 Delegates To Discuss Plans For Aiding Aged

COLUMBUS, Ohio (AP)—Some 2,000 delegates to the Governor's Conference on Aging will discuss plans for the welfare of Ohio's senior citizens next Monday and Tuesday at the Veterans Memorial here.

All 88 counties will participate in the preparation of Ohio's report to be presented at the Jan. 9-12 White House Conference on Aging in Washington, D. C.

Among survey findings to be placed before the delegates are these:

One person out of every 11 in Ohio is 65 or older. They will number more than one million by 1975, and women will outnumber men four to three in this age group. The average retired person now lives on one-third of his income earned before retirement.

Living arrangements, physical and mental health and rehabilitation, social services, income maintenance and employment education, recreation and research, and community organization for the aged will be discussed in preparation for the White House Conference.

Delegates to the Columbus meeting will hear Robert W. Kearn, chairman of President Eisenhower's national advisory committee for the White House conference; Dr. James P. Dixon, president of Antioch College, and Dr. Edward L. Bortz, president of the American Geriatrics Society.

Ships, Planes Expand Hunt For U.S. Bomber

SHANNON, Ireland (AP) — Ships and planes expanded their search today for the three-man crew of an American jet bomber which crashed into the gale-swept Atlantic Wednesday.

Hopes rose briefly after two reports of flares being sighted in the search area some 400 miles from the shores of Ireland.

The missing airmen carried full survival equipment.

British and American planes, and naval ships and merchantmen drew a blank after an all-night search.

The missing plane, a six-jet B47 was one of three flying from the United States to a base in Britain. It collided at 33,000 feet with another plane in the flight.

The second plane limped into Shannon with one of its engines hanging from its wing. The crew members were not hurt.

Gil Hodges of the 1947 Brooklyn Dodgers is the only member of that team still playing in the major leagues.

PHOENIX, Ariz. (AP)—Sen. Lyndon Johnson took his campaign for Arizona's four electoral votes to Tucson today after blasting the Republicans as "the party of do-nothingism."

In an earlier talk before the Phoenix Press Club, the Texas senator accused the Republicans of switching signals in calling for new federal reclamation projects.

In reply to questions, Johnson predicted the Republican ticket would not carry a single Southern state and said his running mate, Sen. John F. Kennedy, had improved his position in Texas on his recent swing through the state.

Engineering Set For Fiscal Year On District Lake

Construction of a dam at Highlandtown for impounding a 180-acre lake for the state recreation area will be engineered and designed the current fiscal year, according to State Rep. Clarence Wetzel of Lisbon.

The proposed dam is slated for construction during the biennium 1961-63. A total of 1,471 acres of land has been purchased at a cost of $143,940 for the Highlandtown site for fishing, boating and swimming.

Wetzel said the lake project and others throughout Ohio are financed by revenue from a federal tax on sporting goods along with state revenue from licenses and fines.

A 10 per cent tax on such items as guns, ammunition, fishing equipment and hunting clothes is collected by the federal government, with about 75 per cent of the revenue returned to the various states.

Fishing, hunting and boating licenses provide Ohio's share of the costs of the project along with fines from sport violations. Federal funds total some 75 per cent of the costs of the lake and park projects, and state funds the remaining 25 per cent, Wetzel explained.

Aged Care Fund Due

WASHINGTON (AP) — Excess funds from the new federal program for medical care for the needy aged will allow Ohio to release $6,430,000 of its state-local funds for further improving medical care for old-age recipients or helping provide for others unable to pay medical bills. The Welfare Department pointed out that, although such states as Ohio which have had money released because of the excess federal funds are free to decide how the released funds will be used, congressional intent was clear that they should result in improvement or initiation of medical care programs for the aged.

2,000 Delegates To Discuss Plans For Aiding Aged

COLUMBUS, Ohio (AP)—Some 2,000 delegates to the Governor's Conference on Aging will discuss plans for the welfare of Ohio's senior citizens next Monday and Tuesday at the Veterans Memorial here.

All 88 counties will participate in the preparation of Ohio's report to be presented at the Jan. 9-12 White House Conference on Aging in Washington, D. C.

Among survey findings to be placed before the delegates are these:

One person out of every 11 in Ohio is 65 or older. They will number more than one million by 1975, and women will outnumber men four to three in this age group. The average retired person now lives on one-third of his income earned before retirement.

Living arrangements, physical and mental health and rehabilitation, social services, income maintenance and employment education, recreation and research, and community organization for the aged will be discussed in preparation for the White House Conference.

Delegates to the Columbus meeting will hear Robert W. Kearn, chairman of President Eisenhower's national advisory committee for the White House conference; Dr. James P. Dixon, president of Antioch College, and Dr. Edward L. Bortz, president of the American Geriatrics Society.

Ships, Planes Expand Hunt For U.S. Bomber

SHANNON, Ireland (AP) — Ships and planes expanded their search today for the three-man crew of an American jet bomber which crashed into the gale-swept Atlantic Wednesday.

Hopes rose briefly after two reports of flares being sighted in the search area some 400 miles from the shores of Ireland.

The missing airmen carried full survival equipment.

British and American planes, and naval ships and merchantmen drew a blank after an all-night search.

The missing plane, a six-jet B47 was one of three flying from the United States to a base in Britain. It collided at 33,000 feet with another plane in the flight.

The second plane limped into Shannon with one of its engines hanging from its wing. The crew members were not hurt.

Gil Hodges of the 1947 Brooklyn Dodgers is the only member of that team still playing in the major leagues.

Nutrition Planning Guides Dieters

Prevention is better than reducing and it is always a joy to pass along to you homemakers tips to help you plan meals that afford grade A nutrition without providing too many calories. An excellent little booklet, entitled "Spare the Calories Behind the Scenes," written by Helen S. Mitchell and Harriet J. Wright of the University of Massachusetts, is geared to today's livng.

By Ida Jean Kain

These nutritionists point out that for young homemakers it is not too early to start planning meals to prevent weight gains and maintain good health; for the middle-age homemakers it is not too late to start holding the beltline, or reducing it slowly.

To meet the nutritional needs of the family, plan the meals and the market list around the Four Food Groups. These include milk and its products; meat, fish, poultry, and eggs; vegetables and fruits; bread and cereal.

You can spare calories at the market. If you plan your meals before marketing and know calories, and nutrition values, you will be less subject to impulse buying, the authors emphasize. You can still take advantage of bargain specials.

Calcutta Firemen To Work On Hall

Sixteen attended a meeting of Calcutta volunteer firemen Monday night when plans were outlined for work on the fire hall.

Firemen will sand and finish the dance hall floor prior to holding square dances this fall. Bricks are being laid in the front of the building. The front section of the station also is being painted.

Norman Neal, president, said the hall will be rented Monday night to Vernon Dell Dairy, which will screen a film of the dangers involved in corn picking.

The department will enter a truck in the parade in Wellsville Saturday.

Chief Laverne Seckman reported on emergency activities last week. Firemen aided in the search for a missing Grimms Bridge area girl and answered an alarm to the home of Earl Fullerton when paper in a new oven caught fire. Damage was minor.

Judge To Confer With Legislators On Traffic Laws

Municipal Judge Samuel M. Chertoff will go to Columbus Friday to confer with leaders of the General Assembly on two traffic laws he hopes will be enacted at the next session of the Legislature, requiring periodic re-examination of all Ohio drivers and compulsory inspection of motor vehicles.

The judge said he hopes to confer with committee chairmen and other leaders of both the House and the Senate. He said he understands both laws already are being prepared for consideration.

Judge Chertoff said he also has talked about the laws with the nominees of both parties who will be running in the November general election in this district for the posts of state representative and state senator.

The judge started a campaign for the two proposals shortly after assuming the Municipal Court bench Jan. 1. He said he feels measures to weed out unfit drivers and unsafe vehicles would help cut the growing toll of traffic mishaps.

56 Families Aided

LISBON — Fifty-six families received surplus food Tuesday at the City Building in Salem. This represents 197 persons, according to Robert Bycroft, Columbiana County welfare director.

Judge To Confer With Legislators On Traffic Laws

Municipal Judge Samuel M. Chertoff will go to Columbus Friday to confer with leaders of the General Assembly on two traffic laws he hopes will be enacted at the next session of the Legislature, requiring periodic re-examination of all Ohio drivers and compulsory inspection of motor vehicles.

The judge said he hopes to confer with committee chairmen and other leaders of both the House and the Senate. He said he understands both laws already are being prepared for consideration.

Judge Chertoff said he also has talked about the laws with the nominees of both parties who will be running in the November general election in this district for the posts of state representative and state senator.

The judge started a campaign for the two proposals shortly after assuming the Municipal Court bench Jan. 1. He said he feels measures to weed out unfit drivers and unsafe vehicles would help cut the growing toll of traffic mishaps.

56 Families Aided

LISBON — Fifty-six families received surplus food Tuesday at the City Building in Salem. This represents 197 persons, according to Robert Bycroft, Columbiana County welfare director.
